COACH INFO

Bo Conner 706-766-6175
Will Thompson 706-859-1274
Angie Conner 706-676-8339
Angie will communicate any changes to schedule, reminders, and any other notifications to the team via a group text. Please make sure we have an accurate phone number that can receive text messages Also—if you need to reply to a message Angie sends, please reply separately just to her. She has an I-phone and if you reply to the group message, all people in the group get the message which is frustrating for some.
