GOOD TO GROW
GETTING YOUR FRUIT & VEGETABLE BUSINESS TO TAKE ROOT

Struggling to find balance in a business that requires farming and financial expertise?

At Good to Grow, participants will develop important skills specifically for fruit and vegetable growing businesses. Hear from UGA Extension Agents, UGA Small Business Development Center Consultants, Professors, chefs, and other industry experts. Breakfast, lunch, and networking are included!

KEY TAKEWAYS:
- Develop a thorough knowledge of a fruit and vegetable farming business
- Implement important marketing & financial business tools
- Understand specific farming techniques to ensure a rich harvest
- Discover secrets to becoming a restaurant supplier
- Understand food safety standards
