## Dear Chatham County Subscriber:

It is a pleasure to welcome you to the first edition of the Chatham County Cooperative Extension Family and Consumer Sciences (FACS) Newsletter. This electronic publication is being written to share current Family and Consumer Sciences (FACS) information and programs, "FACS News You Can Use" for you and your family. We hope you will share this monthly newsletter with neighbors, co-workers and friends to embrace the vast research-based resources from the University of Georgia Cooperative Extension and your Chatham County Extension office. To subscribe to the "FACS News You Can Use" free electronic newsletter send your request to Jackie Ogden, FACS Agent/CEC at Email: [jogden@uga.edu](mailto:jogden@uga.edu) or call 912-652-7981.

## HELPFUL FACS LINKS

UGA Cooperative Extension Family and Consumer Sciences (FACS) topic specific newsletters provide timely facts. Download these publications from the Chatham County Extension website at [www.ugaextension.com/chatham](http://www.ugaextension.com/chatham).
