Cobb County 4-H 2018 Plant Sale Fundraiser

Pre-Orders taken from January 2nd–March 23rd

Pick up Date: Saturday April 7, 2018 from 9:00am-1:00pm

Plant Sale Registration Information

Pick up location: Jim Miller Park 2245 Callaway Rd, Marietta, GA 30008

Pre-Order Deadline: Friday March 23, 2018 at 5:00pm

Order Information: Orders will be accepted via walk-in with debit/credit card (Visa/MasterCard/Discover), cash, money order or check. Mail in orders will be accepted with check or money order. All checks should be made out to Cobb Co. Extension/4-H. ALL SALES are final. Cobb County 4-H makes no guarantee on plants sold.

Plant Sale Theme: “Wonderful World of Pollinators!” Many of the plants offered will not only add color to your yard but will attract beneficial pollinators to your landscape!

Plant pick up time: Saturday April 7th from 9:00am– 1:00pm. Plants WILL NOT be held after 1:00pm on pick up date. Plants remaining will be considered a tax deductible donation. You will receive a donation letter for your tax planning purposes.

Office Contact Information: Office hours– Monday-Friday 8:00am-5:00pm.
Phone: 770-528-4070  Office address: 678 South Cobb Dr. Suite 200 Marietta, GA 30060.

**All proceeds go to benefit the Cobb County 4-H youth development program, supplies, judging teams, scholarships and professional development***

Thank you for supporting the Cobb County 4-H program!
Blackberry – 1 gallon

Erect thorn less bushes and are not aggressive as trailing varieties. Self pollinating, relatively pest free and easy to grow. Yields 3-4 pints per plant.

Varieties: Apache, Natchez, Ouichita

Sunlight needed: Full Sun

Blueberry – 1 gallon

Blueberries are relatively pest free and require little care once established. Plant at least two bushes, each of a different variety for cross-pollination.

Early: Vernon, Climax  
Mid: Powder Blue, Pink Lemonade (self pollinator)  
Late: Ochlockonee

Sunlight needed: Full Sun

Abelia - ‘Rose Creek’– 1 gallon

Evergreen with glossy pink tinged foliage, red stems, and white flowers from spring to fall that attract butterflies. Up to 3’ tall by 4’ wide. Low water. Pest free.

Sunlight needed: Partial to Full Sun

Agastache– Blue Fortune ‘Anise Hyssop’– 1 gallon

Easily grown in average, medium moisture, well –drained soils in full sun to part shade. Good soil drainage is essential for this plant.

Sunlight needed: Full Sun to Part Shade

Azalea- ‘Admiral Semmes’– 2 gallon

A deciduous, bright yellow, fragrant azalea. Mildew resistant and flourishes in the hot, humid, conditions of the South.

Sunlight needed: Partial to Full Sun
Camellia ‘Yuletide’— 1 gallon
Price: $8.00
Single, brilliant red blooms centered with bright yellow stamens make an elegant statement in the winter garden. The glossy, dark green foliage creates a handsome natural hedge or foundation shrub. Medium in size and a mid-season evergreen bloomer.

*Sunlight needed: Part Shade*

Crape Myrtle ‘Natchez’— 1 gallon
Price: $8.00
Plant has distinctive exfoliating bark and pure white flower. The plant can grow into small trees approximately 25 feet tall

*Sunlight needed: Full Sun*

Edgeworthia chrysantha- ‘Paper Bush’— 1 gallon
Price: $9.00
Filling the late-winter garden with pleasant fragrance, this well-branched shrub displays creamy yellow flower clusters at its branch tips. Spring brings slender blue-green foliage, turning yellow in fall.

*Sunlight needed: Full Shade to Partial Sun*

Fig ‘Brown Turkey’— 1 gallon
Price: $7.00
An attractive deciduous tree with an intriguing winter silhouette. Produces very tasty, brownish purple fruit in late spring and again in late summer. A beautiful plant for garden or landscape, requiring only light annual pruning.

*Sunlight needed: Full Sun*

Fothergilla ‘Mount Airy’— 1 gallon
Price: $6.00
Deciduous shrub with deep blue-green leaves has attractive fall color. Honey-scented, brush-like flowers appear before the leaves. Beautiful addition to shrub borders or for background in semi-shaded borders.

*Sunlight needed: Full Shade to Partial Sun*
Gardenia ‘Frost Proof’ 1 gallon  Price: $6.00
This plant has a nice symmetrical upright form with very attractive narrow green foliage. It can be maintained in a pot, but grows to 3 feet tall outdoors. It requires moist, somewhat acidic soil

_Sunlight needed: Full to Partial Sun_

Helleborus ‘Niger Jacob’ 1 gallon  Price: $12.00
An early bloomer, this selection has large, forward-facing pure white flowers which mature to green. Large, deep green leaves form a sturdy, uniform clump, and are deer and rabbit resistant!

_Sunlight needed: Full Shade to Partial Sun_

Helleborus ‘Candy Love’ 1 gallon  Price: $12.00
This plant has dark green deer-resistant leaves, highlighted by red veins in spring. The leaves are topped, starting in late winter, with clusters of 15” stalks ending in huge 3.5” wide pink-tinged white flowers.

_Sunlight needed: Full Shade to Partial Sun_

Heuchera -Amber Lady ‘Coral Bells’ 1 gallon  Price: $8.00
Heuchera Amber Lady’s features soft, velvety amber leaves with rose pink undersides. A silver marbling overlay adds beauty and dimension to the lobed foliage.

_Sunlight needed: Sun to Partial Shade_

Heuchera –Blackout ‘Coral Bells’ 1 gallon  Price: $8.00
Coral Bells Blackout is a dramatic edging plant: Jet black glossy leaves & cream-colored flowers. Only 12” tall

_Sunlight needed: Sun to Partial Shade_

Heuchera –Caramel ‘Coral Bells’ 1 gallon  Price: $8.00
New leaves emerge bright gold and mature to a peachy orange. Thrives in the high heat and humidity of the South. Evergreen in mild winter areas.

_Sunlight needed: Partial to Full Sun_
**Hydrangea Snow Queen ‘Oakleaf Hydrangea’**– 3 gallon

Large, dense 6 to 8 inch long clusters of white flowers are held upright above the dark green oak leaf-shaped foliage. Flowers become rose-pink in the fall and leaves turn deep red-bronze.

*Sunlight needed: Partial Sun*

---

**Japanese Painted Fern** 1 gallon

Stems are red-wine with leaves of burgundy, green, and silver. This deciduous fern should get 12-18 inches tall.

*Sunlight needed: Full to Partial Shade*

---

**Monarda Pink Supreme ‘Bee Balm’**- 1 gallon

This midsized selection has shaggy magenta-pink flowers. The foliage is delightfully fragrant, with excellent resistance to powdery mildew disease. A favorite of both butterflies and hummingbirds.

*Sunlight needed: Full Sun or Partial Shade*

---

**Osmanthus fragrans ‘Tea Olive’** 1 gallon

A large evergreen shrub or small tree with an upright form that is densely branched and covered with dark green foliage. Tiny flower clusters have a delightful apricot-like fragrance. Plant tea olive near walks and entrances to enjoy the fragrance.

*Sunlight needed: Partial to Full Sun*

---

**Platycodon-Sentimental Blue ‘Balloon Flower’**– 1 gallon

A dwarf selection with whimsical flower buds shaped like hot air balloons that open to large, blue flowers with purple veins. Blooms throughout summer.

*Sunlight needed: Partial to Full Sun*
Rudbeckia Goldstrum ‘Black Eyed Susan’ - 1 gallon  
A colorful, fuss-free border plant and excellent choice for cut flowers. Bright, daisy-like, golden yellow flowers with black centers cover the dark green foliage. Tolerates heat, humidity, and clay soil.  
*Sunlight needed: Full Sun*

Spirea ‘Goldmound’ - 1 gallon  
Colorful foliage opens pink and turns yellow in the spring. Followed by lime green in the summer and copper in fall. Up to 3’ tall and 4’ wide. Tolerates various growing conditions  
*Sunlight needed: Full Sun*

Spirea ‘Tor’ - 1 gallon  
The neat mound of rich green foliage provides the ideal backdrop for tight clusters of brilliant white flowers. Foliage becomes gold, red, and purple in autumn.  
*Sunlight needed: Full Sun*

Viburnum ‘Snowball’ - 1 gallon  
Masses of large, pure white, snowball-like flower clusters make a showy display and are exquisite in floral arrangements. Glossy, bright green leaves have a purplish red fall coloring.  
*Sunlight needed: Partial to Full Sun*

Viburnum ‘Mohawk’ - 1 gallon  
A rugged new cultivar with year-round interest. Glossy green foliage with red and yellow fall color. Fragrant white flower clusters. Fruits are red, maturing to black  

***See the final page of the plant sale booklet to see the flowering plants in color.***
