RE: Organizational Archery Meeting & Practice Schedule

September 8, 2022

Dear Shooters and Parents:

Our organizational meeting for the **2023 Grady County 4-H Archery Team** is going to be held **Tuesday, October 4<sup>th</sup>**. The meeting will start at **6:00 pm at the Agri-Center**. This meeting is for parents and shooters.

During the meeting, we will discuss:

- Team rules
- Registration fees and fundraiser requirements
- Practice schedule
- Match dates
- Specific equipment needs

**New Practice Schedule for Indoor:** This year, we are going to have separate practices for our Cloverleaf shooters and our Junior/Senior shooters. This will allow more one-on-one instruction from the coaches. Cloverleaf shooters will practice on Thursdays and our Junior/Senior shooters will practice on Tuesdays. All practices will run from 5:30 – 7:00pm at the Livestock Pavilion.

**Cloverleaf (4<sup>th</sup>-6<sup>th</sup> grade) shooters:** We will have two practices for new shooters scheduled for Thursday, October 20<sup>th</sup> & 27<sup>th</sup>. Practices for all cloverleaf shooters, both returning and new, will start on Thursday, November 3<sup>rd</sup>.

**Junior/Senior (7<sup>th</sup> – 12<sup>th</sup> grade) shooters:** Practices will be held every Tuesday starting November 1<sup>st</sup>.

**Activity Requirements:** Remember in order to shoot on the 2023 team; each shooter must complete two other 4-H activities prior to February 1, 2023. A list of activities is included with this mailing.

**Sports conflict:** Last year, we had a few shooters who played fall or spring sports and chose to shoot either the indoor season or the outdoor season. That is certainly an option, we just need to know your plans ahead of time so we can order the correct number of team shirts and we still ask you attend the organizational meeting.

If you have any questions concerning the organizational meeting or the activity requirements, please give me a call at 377-1312. If you plan on shooting and you have an unavoidable conflict with the meeting, please give us a call and let us know and stop by the office and pick up the paperwork.

**State Archery Competition Dates:**

Georgia 4-H State Indoor Match	January 21, 2023	Perry @ GNF
Georgia 4-H State Outdoor Match	May 6, 2023	Rock Eagle 4-H Center

Please let me know if you have any questions.
