SERVSAFE® MANAGERS TRAINING

ServSafe® Managers Training is for:

- Food Service Professionals
- Managers in Training
- Anyone Who Needs Advanced Food Safety Training

You have an opportunity to improve your food safety & sanitation skills through a nationally recognized food safety sanitation course.

ServSafe® Managers Training is a nationally recognized food safety training approved by DPH. The ServSafe® certification is current for five years.

This training includes:

- 1.5 days of instruction
- Certificate from NRAEF issued upon successful completion of the examination.
- Includes [ServSafe® 7th edition Managers book](#).

The exam is a standardized test and requires good reading skills. Participants are encouraged to attend the full course before taking the exam.
