Dear Potential 4-H Volunteer,

Thank you for your interest in being a 4-H Volunteer. The University of Georgia requires all potential volunteers to undergo official background checks and have positive character references. They also require volunteers to remain active once approved. If there is a 6 month time lapse in your service activity with our program, the background paperwork will need to be reprocessed.

To begin the application process, please complete the following ‘Application’, ‘Volunteer Agreement’, and ‘Adult Behavior Guidelines’ as soon as possible. The application pages should be completely filled out and returned to the 4-H office by fax, mail, email (uge3039@uga.edu) or hand delivery. It is very important that you write clearly and include your email address.

For the background check, we will send your information including name, email address, and phone number to the UGA Human Resources Department. They will forward your information to their outside GCIC certified vendor, Accurate Background, Inc., who will take responsibility for completing the criminal background check as well driving history review and the sex offender registry check. Please expect an email from Accurate Background, Inc. (customerservice@accurate.com) which will include a temporary link to their secure portal for uploading your personal information and consent for completing your background check. Once Accurate Background, Inc. has completed your background check, UGA HR will notify our office that you are cleared to work as a volunteer.

The Camden 4-H staff will contact the individuals you listed as ‘Character References’ on your application. Please ask your references to expect an email from uge3039@uga.edu with an attached reference form for their completion. As a reminder, your references should not be relatives or UGA Extension/4-H staff.

Once your background check and references have been completed, you will receive another email with a link to complete a required online training for working with youth. This is the final step in our background verification process.

We look forward to having your support as a 4-H volunteer.

Thank you,

Camden County 4-H Staff

Please note: The University System of Georgia has a policy, prohibiting tobacco products on all of its system campuses. The University of Georgia fully supports this policy, and our 4-H Centers and Extension Offices are part of the UGA campus. You can get more information on the Board of Regents policy at this link: http://uga.edu/tobacco-free/. This policy states that smoking and tobacco use is prohibited on the entire campus, extension offices, satellite offices, practice buildings, and 4-H camping centers. Prohibited products include cigarettes, cigars and pipes, all forms of smokeless tobacco, clove cigarettes, any smoking device that uses tobacco such as hookahs or simulates the use of tobacco such as electronic cigarettes. If this affects your ability to be a 4-H leader or a camp leader, please let us know immediately.

Completing this application does not guarantee acceptance as a volunteer. The 4-H staff has final authority to accept or not accept volunteers for the 4-H program.

Adult Behavior Guidelines when Working with Youth

The University of Georgia Cooperative Extension program establishes the following guidelines for adults working with youth in programming. These are general behavioral expectations for any adult including both paid staff and volunteers working or volunteering in a capacity which includes working with children under the age of eighteen and/or youth considered program participants.

Adults are expected to:

- Work cooperatively with youth, families, University of Georgia faculty, staff, volunteers, community members and others in a courteous, respectful manner demonstrating behaviors appropriate for a positive role model.
- Represent the University of Georgia College of Agricultural and Environmental Sciences' Cooperative Extension programs with pride and dignity, behave appropriately, exhibit good sportsmanship, and demonstrate reasonable conflict management skills.
- Respect, adhere, and enforce the 4-H Code of Conduct as well as other rules, policies and guidelines established by UGA Extension and event coordinators including state laws and regulations.
- Recognize that physical punishment is not an appropriate form of discipline and will not be allowed. Physical punishment includes physical actions that may not be expected of an individual during the program and are assigned to a young person as a consequence for misbehavior.
- Recognize that verbal abuse, physical abuse, or committing criminal acts may be grounds for termination as an Extension volunteer. Abusive behavior towards youth or other adults including failure to provide adequate health and safety measures, inadequate care or supervision, emotional mistreatment of members, or verbal or physical abuse will not be tolerated.
- Under Georgia law, report any mistreatment of youth to the proper authorities. Adults should immediately contact the person coordinating the Extension program/event, UGA Police, and the Division of Family and Children services if the adult believes a child is being abused. Failure to report child abuse is grounds for criminal charges.
- Comply with equal opportunity and anti-discrimination laws and policies. The University of Georgia prohibits harassment of or discrimination against any person because of race, color, sex (including sexual harassment and pregnancy), sexual orientation, gender identity, ethnicity or national origin, religion, age, genetic information, disability, or veteran status.
- Treat animals humanely and encourage youth and adults to provide appropriate and ethical care.
- Strive for a minimum of two adults at any activity involving youth. Adults, in most cases, should not be left alone with a single child unless the adult is the parent/guardian of that child.
- To be housed in overnight settings in separate sleeping areas from children when possible. When this is not possible, parent/guardians should be furnished a letter explaining the situation and informing the parent/guardian that his/her child will be housed with an adult in the same room.
- Under no circumstances, to condone others use of or personally consume, or be under the influence of, or demonstrate any impairment from alcoholic beverages or illegal drugs/controlled substances during Extension youth programs, events and/or activities.
- Operate machinery, vehicles, and other equipment in a safe and responsible manner.
- Accept responsibility to promote, conduct, and support 4-H in order to develop an effective local, county, district and state program.
- Recognize the following behaviors are inappropriate and will not be tolerated in the presence of youth during Extension youth activities or events:
  - consumption of alcohol, illegal drugs, and controlled substances
  - promotion of religious or political preferences
  - theft, pilfering, or fraud
  - use of tobacco products and e-cigarettes
  - sexual advances or activities involving youth
  - willful damaging of property
  - permitting passengers to ride in motor vehicles without seatbelts
  - permitting youth or adults to ride in the back of trucks
  - behaviors that are illegal under law
