4-H Summer Camp at Rock Eagle!
Sign up starts **March 31 at 7:00pm online**
Find Link at www.tinyurl.com/clarke4h
Camp Dates: **June 7-10**

Important Dates

March 31, 2021	Online registration goes live at 7:00pm www.tinyurl.com/clarke4h
April 9, 2021	Deadline to notify families if their child(ren) received a spot for camp
April 9, 2021	Financial Need Based Scholarship recipient will be notified
April 16, 2021	\$75 Camp deposit due at Athens-Clarke County 4-H Office
May 4, 2021	Georgia 4-H will make the final decision on the summer 2021 camping season
May 21, 2021	\$160 Camp balance due at Athens-Clarke County 4-H Office

Georgia 4-H is planning an exciting Summer Camp at Rock Eagle! ACC 4-H will attend Monday-Thursday, June 7-10 along with other counties. In an effort to maintain the health and safety of campers, staff, and volunteer, camp spaces have been substantially reduced from previous years. Athens-Clarke County 4-H has elected to use an online registration process that will give all families a fair opportunity to sign up on a first come, first serve basis. **The registration link will go live on March 31 at 7:00pm and will be posted on our website www.tinyurl.com/clarke4h**

Cost and Payment Information

The camp fee of **\$235** covers lodging, meals, and 4-H center fees. If you sign up online in time for a space, a **deposit of \$75** is due at the Athens-Clarke County 4-H office by **Friday, April 16**. The remaining balance of \$160 is due by Friday, May 21. If the deposit and balance are not paid on time, your child(ren) lose his/her spot(s) and will be replaced by another 4-H'er on the waiting list.

Need Based Scholarship

Scholarships are available for Cloverleaf (5th-6th grade). Scholarships are based on need and participation level in Athens-Clarke County 4-H. The number and amount of scholarships available are based on the amount of donations/funding we secure over the program year. After scholarships are awarded, the remainder of camp payment must be paid by May 21. Recipients are responsible for paying the remainder of the cost of camp not covered by the scholarship. Notification of scholarship decisions will be made by April 9. Contact Elizabeth Conway at ebarber@uga.edu with questions regarding camp scholarships.

Transportation

In an effort to minimize close contact and to keep cost down overall, we will not be providing transportation to and from Rock Eagle (Eatonton, GA). **Parents will drive their camper(s) to Rock Eagle on Monday, June 7 and pick up their camper(s) on Thursday, June 10 at the designate check-in time.**

Eligible Campers

Camp spaces are strictly limited to 5th and 6th Graders (in the current 2020/2021 school year) who reside in Athens-Clarke County or attend an Athens-Clarke County School (public, private, or homeschool).

Online Sign Up

Athens-Clarke County 4-H is utilizing the Qualtrics Survey Program for you to sign up your household for camp. If your household contains multiple eligible campers (i.e. brothers or sisters), you will be allowed to sign them up on the same application. The Qualtrics system utilizes a time stamp to record data. This feature will allow Athens-Clarke County 4-H to determine which order our available spots and waitlist will be filled. This link will go live on **Wednesday, March 31 at 7pm**. The registration link will be posted on our website at: www.tinyurl.com/clarke4h

Georgia 4-H Summer Camp COVID-19 Health & Safety Precautions

Complete details are listed on the Georgia 4-H Website: <https://georgia4h.org/4-h-centers/summer-camp/covidsafety/> **Please carefully review this webpage before camp signup.**

Masks and Social Distancing

Consistent with UGA guidance, Georgia 4-H will require masks to be worn when inside buildings at camp and outdoors when physical distancing is not possible. Active dining and sleeping are instances where indoor masking will not be required. Campers should plan to bring several of their own face masks to camp and keep up with them throughout the week. Physical or social distancing – keeping six feet between yourself and others – will be required when and wherever possible during the camping week, even for outdoor activities.

Covid-19 Negative

In 2020, the Governor's Executive Order required a negative COVID-19 test prior to participation in overnight summer camp activities; if this requirement is included in 2021 guidance, we will incorporate it into plans for overnight summer activities as soon as we become aware of the mandate.

Refund Policy

2021 Refund Considerations due to COVID-19 Prior to the Start of Camp: To support families experiencing adverse impacts from the COVID-19 pandemic, including job loss or care for sick family members, if the need arises to cancel camper registration prior to arrival at camp, campers are eligible for a full refund (including deposit). In promotion of healthy camp environments, if campers are ill or have a known or suspected exposure to COVID-19 prior to arrival at camp, they will need to cancel their registration and are eligible for a full refund (including deposit). Georgia 4-H will continue to monitor the COVID-19 pandemic and its impacts. If it is determined that any week of camp has to be cancelled or rescheduled, campers are eligible for full refund (including deposit).

2021 Refund Considerations due to COVID-19 After the Start of Camp: The cohort model employed this summer, used to address important health and safety concerns, may require some campers and leaders to isolate and leave camp based on symptoms, exposure, and/or contact tracing. Partial refunds will be given in that case.

Refund Considerations Unrelated to COVID-19: Requests for refunds that result from cancellations or leaving camp early for reasons not related to COVID-19 will be reviewed using existing procedures.

4-H Dance Project Club Fun, Virtual Zoom Led by ACC 4-H'er

Athens-Clarke County 4-H'er and NE District Officer, Cate DeMaria, is hosting a Virtual 4-H Dance Project Club! She wants to help her friends and fellow 4-H members understand that dance can not only improve your mental health but your physicality. She plans to discuss many topics. Some being how dance can improve mental and physical health, how dance is a sport and the imperfections in dance, and that's just to name a few.

Cate is a competitive dancer at Oconee Youth School of Performance and this is her 9th year at OYSP. Dance has been her sport of choice since she was 3 years old and she hasn't stopped since. She wants to create this club because it is based on her DPA project and because it is something she is very passionate about. She wants to help her friends and fellow 4-H members understand that dance can not only improve your mental health but your physicality.

If you are interested in joining this free virtual program, please e-mail Ms. Conway at ebarber@uga.edu or call the 4-H Office at (706)613-3640.

County Project Achievement (CPA)

County Project Achievement is a fun opportunity for 5th & 6th grade 4-H'ers to share and compete with one another by choosing a project and presenting a demonstration with visuals. Due to safety restrictions, the County level competition was held virtually this year. Students sent a video of them presenting their demonstration for Judges to view. Winners from the county competition will compete against other counties' 5th grade students at Cloverleaf District Project Achievement.

Athens-Clarke County 4-H received 29 video submissions for CPA from St. Joseph's School and Winterville Elementary School. Listed below are the students' names and Projects. The Judges were very impressed with the demonstrations!
