

Oceans: Salt Water

Did you know the Earth is about **71% water**? But where is most of that water located? **Only 0.5%** of the earth's water is available fresh water.

Yet, it's the same water that was around when the dinosaurs were.

We cannot make any new water, so we have to take care of the water we have.

Water molecule (H_2O) is made up of 2 hydrogen atoms and 1 oxygen atom. It is naturally found in three states (Liquid, Solid and Gas), determined by the temperature.

Water Cycle

Transpiration is essentially evaporation of water from plant leaves.

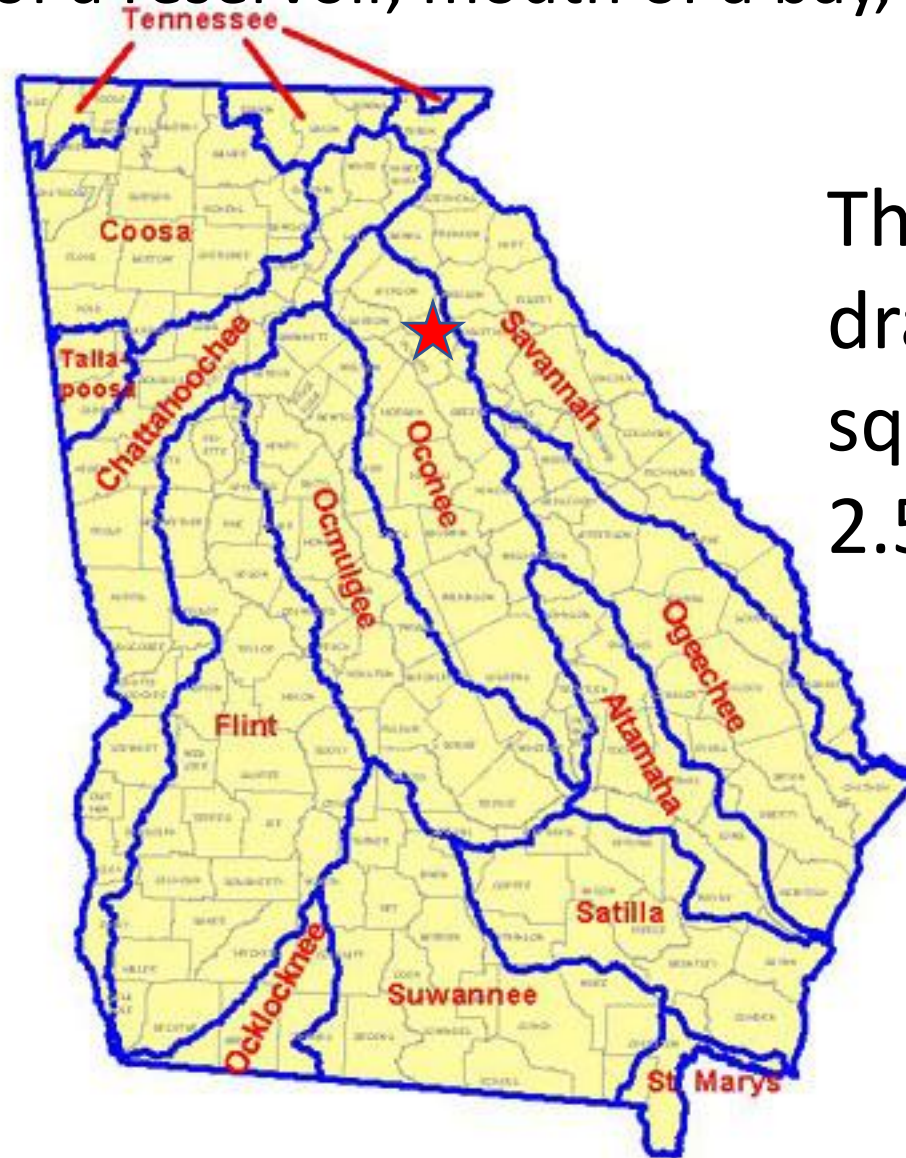

Infiltration is when water soaks into the ground, through the soil and underlying rock layers.

Georgia's Watersheds/Basins

A watershed is an area of land that drains all the streams and rainfall to a common outlet such as the outflow of a reservoir, mouth of a bay, or any point along a stream channel.

Athens is located in the
Oconee Watershed.

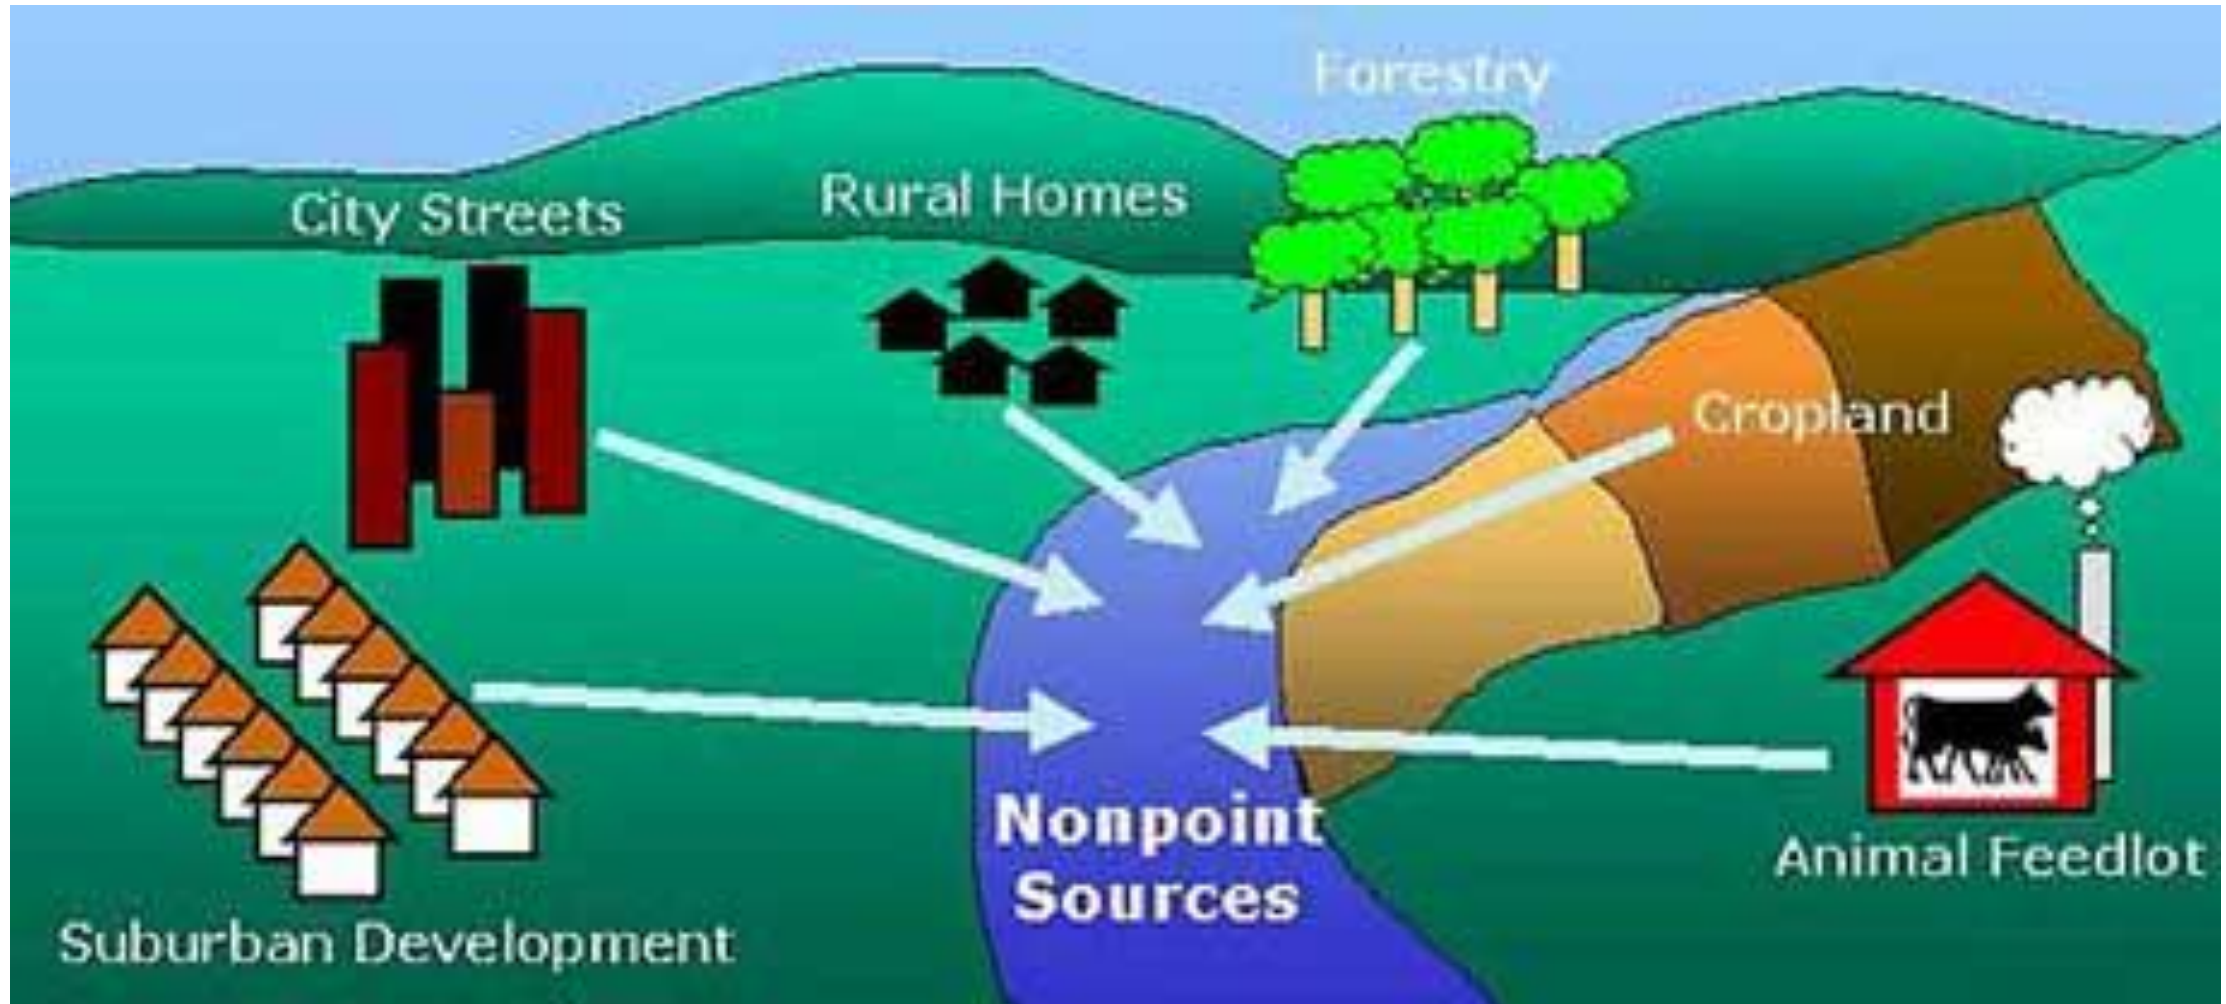

Each Watershed is
named for the River
located in the area.

The **Oconee River Basin**
drains a total of 5,330
square miles! That's over
2.5 million football fields!

What is Non Point Source Pollution?

<https://www.youtube.com/watch?v=phmN-lpR3xw>

Point Out Pollution!

Point hand down if Point Source Pollution
Keep hand up if Non-Point Source

Factory Wastewater

Sewage Treatment
Plant Discharge

Pet Waste

Point Out Pollution!

Point hand down if Point Source Pollution
Keep hand up if Non-Point Source

Leaked Car Oil

Excess lawn Fertilizer

How can you save Water?

INDOOR	Daily Savings*
Run the dishwasher only when full	2 gallons
Not leave water running while rinsing dishes	5 gallons
Turn off water while brushing teeth (twice daily)	8 gallons
Shorten showers by 2 minutes (once daily)	5 gallons
Fill the bathtub half full while bathing	18 gallons
Not use the toilet as a wastebasket (once daily)	2 gallons
Wash only full loads of laundry and cut back by one load per week	5 gallons
Fix a leaky faucet	15 gallons
Fix a leaky toilet	30 gallons

*Actual water savings from these actions depends on a number of factors, including a household's water pressure, number of residents, age/efficiency of plumbing devices, size of landscapes and irrigation systems, personal behaviors, etc. These daily estimates for an average household are provided solely as an educational guideline to help the public understand and appreciate the potential of these actions to help the region save water.

OUTDOOR

Daily Savings*

Make a compost pile instead of using the garbage disposal

4 gallons

Use a 55-gallon rain barrel to capture rain water for watering landscape or garden

5 gallons

Use a broom instead of a hose to clean driveways and sidewalks (twice weekly)

22 gallons

Water yard after midnight and before 10 a.m.

20 gallons

Adjust sprinklers to reduce overspray onto sidewalks, driveways, etc.

20 gallons

Add mulch (2-3 inches) around trees and plants (1000 sq ft)

25 gallons

Use automatic car wash that recycles water instead of hand washing cars (weekly)

18 gallons

Dairy Month Poster Contest

June is National Dairy Month and The Dairy Alliance invites Georgia 4-H'ers to design a poster that informs people of the health benefits of milk. The purpose of the poster is to convince people to consume more dairy products.

The theme for this year's contest is
"Dairy Defenders: Making Every Drop Count"

Prizes that will be awarded by the Dairy Association are:
first prize—\$100, second prize—\$75 and third prize—\$50.

To enter follow the rules listed in your newsletter and submit your poster to your school by **May 9, 2025.**

Cloverleaf District Project Achievement

Kistina Agyei- Owusu: Performing

Arts-Instrumental

**Honesty Akine: Food for Health and
Sport**

Roy Bradburn: Human Development

Amy Compoverde Ceron: Cat Care

Charlie Edwards: Cat Care

Joey Edwards: Historic People

Naomi Heard: Historic People

**Yuliana Heard: Performing Arts–
Instrumental**

Ja'Liyah Hillsman: Arts

Riley Hughes: Housing

Jackson Lewis: Sports– Individual

**Omar Liera Martinez: Historic Places and
Events**

Romy Little: Performing Arts General

Clarence McCollum: Cat Care

Andria Smith: Dog Care & Training

Kyden Smith: Marine & Coastal Ecology

Wyatt Smith: Paleontology

Oliver Unruh: General Recreation

Izy Uyi: Historic Places and Events

**Athens- Clarke County 4-H
had the highest percentage of
first place winners at
Cloverleaf DPA!!!**

Photography Contest

General 4-H Photography—James Morgan, Barrow Elementary

General 4-H Photography— Neely Burke, Barnett Shoals

MilkMake Recipe Winners

Best Overall: “Cherry On Top!”, Haley Membreno Gomez, JJ Harris

Most Unusual: “Berry Good Chocolate”, Sadie Smith, Barrow

Most Creative: “Crazy Cocoa”, Navaeh Davis, Barnett Shoals

Most Nutritious: “Double Raspberry Delight”, Piper Wren,

Barrow & “The Red and Blue Swirl”, Carolina Viores, Barnett Shoals

SIGN UP FOR 4-H IN MIDDLE SCHOOL!

You can still attend 4-H Programs during the school day next year at your Middle School!

4-H meets in a 6th grade Teacher's classroom during your Connections Class time once a month.

Listen for sign up information at the beginning of the year.

First school meeting is at the end of September.

Upcoming 4-H Activities

- **Dairy Month Poster Contest**: due May 9
- **Middle School 4-H**: Remember to signup next school year!

4-H Pledge

I pledge:

my HEAD to clearer thinking

my HEART to greater loyalty

my HANDS to larger service and

my HEALTH to better living

for my club, my community, my country and
my world
