

# ATHENS-CLARKE COUNTY 4-H

**Project Fun Day (CPA)**  
Saturday, February 3 OR 10 2023  
at ACC Extension Facility

**District Project Achievement**  
Saturday, March 23, 2025  
at S. Jackson Elementary School

## 2023-2024 Cloverleaf Project Listing

1. Agriculture Awareness
2. Archaeology
3. Arts
4. Beef
5. Bicycle
6. Cat Care
7. Clothing & Textiles
8. Communications
9. Companion Animals
10. Computer Information Technology
11. Conservation & Recycling
12. Crafts
13. Creative Stitchery\*
14. Current People, Places & Events
15. Dairy
16. Dairy Foods
17. Dog Care & Training
18. Engineering & Mechanics
19. Entomology
20. Environmental Science
21. Flowers, Shrubs & Lawns
22. Food for Fitness
23. Food for Health & Sport
24. Food Safety & Preservation
25. Foods Lab: Between Meal Snacks\*
26. Foods Lab: Food Fare\*
27. Forestry, Wood Science
28. Fresh Water Fish & Shellfish
29. Fruits, Vegetables & Nuts
30. General Recreation
31. General Science
32. Geology
33. Health
34. Herpetology
35. Historic Places and Events
36. Historic People
37. Horse
38. Housing
39. Human Development
40. Interior Design
41. International
42. Marine & Coastal Ecology
43. Outdoor Recreation
44. Outdoor Survival Skills
45. Paleontology
46. Performing Arts – General\*
47. Performing Arts – Instrumental\*
48. Performing Arts – Vocal\*
49. Photography & Videography
50. Plants, Soils & Fertilizers
51. Swine
52. Poultry & Egg Science
53. Public Speaking
54. Rabbits
55. Robotics
56. Safety
57. Sheep & Meat Goats
58. Sports – Individual
59. Sports – Team
60. Target Sports
61. Time & Money Management
62. Veterinary Science
63. Wildlife
64. Workforce Preparation & Career Development

### **Guidelines and Suggestions for Project Achievement:**

1. Choose 1 (one) project (most projects require a speech for presentation).
2. **Projects with an asterisk \*** do not require speech or visual. See special instructions on the back of this sheet
3. Prepare a 3–6-minute speech about your topic. 6 minutes is the maximum time allowed. **EXCEPTION:** *Performing Arts are performances (not speeches) and the time limit is 4 minutes.* A piano will be available at the school for Performing Arts Instrumental.
4. Your visuals may be posters, trifold boards, and items. Be sure to keep posters flat. Do not roll them.
5. You may use notes. Use index cards, they look more professional than notebook paper and easier to stay organized
6. No visual aids in Public Speaking or the special categories listed on the back.
7. No live animals or weapons may be used in any presentation. No items may be used in presentations which are not allowed by school code of conduct. Examples: matches, lighters, etc.

## Special Project Instructions

**The following projects have special judging criteria and do not require a speech:**

**Creative Stitchery** – This category is for students who sew. To compete in this category a student will prepare a garment or item that includes a seam, finish, and fastener in the one item. Items may include, but are not limited to, a pillow, purse, duffle bag, apron, shorts, skirt, or any other item. 4-H'ers will be asked questions relative to selecting and sewing their item or garment including, but not limited to, fabric care requirements. **This project does not include needle crafts such as crochet, knitting or embroidery;** those would be in the craft category.

**Foods Labs: BETWEEN MEAL SNACKS & FOOD FARE** – These two projects are food preparation labs and have very specific requirements. For this reason, students are required to attend a workshop at the 4-H office to be eligible to compete in either of these categories. We will make sure that you understand the requirements and are prepared for the competition. The workshops will teach you how a food project lab is conducted, explain proper attire for competition, show you the proper methods for measuring, mixing, etc., help you decide how to display your dish, and help you select your healthy recipe to use for the competition. Please contact Ms. Conway at [ebarber@uga.edu](mailto:ebarber@uga.edu) to set up a workshop time.

For these two projects students will prepare and serve an uncooked healthy snack displaying proper food safety practices while preparing the snack, and answer questions about your dish including ingredients, the food groups, food safety, etc. Cloverleaf 4-H'ers are not permitted to use knives or electric appliances such as blenders in competition.

**Due to space and time limitations at Project Fun Day (CPA) on February 3 or 10 at ACC Extension Facility students will prepare their dish ahead of time at home, present it and answer judges' questions. If you advance to the district competition at South Jackson Elementary School on March 25 you will take all your ingredients and food preparation materials and prepare your dish while being observed by the judges during the allotted time period.**
