**Do you love the beach and learning about marine science? Want to combine beach time with Georgia 4-H? Then, Marine Resources Camp at Burton 4-H Center on Tybee Island is right for you!**

**At Marine Resources Camp, you will learn about the marine life that lives in and around the Georgia coast through hands-on classes. Explore beach ecology on a guided walking tour; dissect a shark to discover the role it plays in its natural environment; handle a variety of native and non-native animals ranging from blue crabs to corn snakes!**

**Marine Resources Camp isn't all about workshops. You will spend time kayaking, cruise on a boat tour around a tidal marsh, enjoy a special seafood meal and explore Tybee's shopping district with new friends. After all of that activity, there's still time to take a swim in the Atlantic Ocean and enjoy an evening of entertainment through a talent show put on by you and your 4-H friends!**
