EXTENSION

Blueberry– 1 gallon

Price: \$8.00

Blueberries are relatively pest free and require little care once established. Plant at least two bushes, each of a different variety, for cross-pollination.

Austin: Large berries, mid-season

Powderblue: Medium to large sized berries', mid-Late season

Premier: Large berry, Early season

Tift Blue: Larger berry, Late season

Sunlight needed: Full Sun

Abelia- 'Rose Creek'– 1 gallon

Price: \$9.00

Evergreen with glossy pink tinged foliage, red stems, and white flowers from spring to fall that attract butterflies. Up to 3' tall by 4' wide. Low water. Pest free.

Sunlight needed: Partial Sun to Full Sun

Bloom Season: Spring– Summer

Flowers: White with Pink Sepals

Azalea Native - 'Admiral Semmes'– 3 gallon

Price: \$18.00

A deciduous, bright yellow, fragrant azalea. Mildew resistant and flourishes in the hot, humid, conditions of the South.

Sunlight needed: Partial to Full Sun

Bloom Season: Early Spring

Flowers: bright yellow May, orange/bronze Fall

Azalea - 'Delaware Valley'– 1 gallon

Price: \$8.00

A dazzling display of lightly fragrant white bell shaped flowers and dark green, evergreen leaves. Bouquets of flowers are formed in tight clusters at the ends of each branch. The striking, scented flowers attract butterflies to your garden. A bush that can reach 3-4 ft. high and wide.

Sunlight needed: Full to Partial Sun

Bloom Season: Spring

Flowers: White

Azalea - 'Hino Crimson'– 1 gallon

Price: \$8.00

A relatively small rhododendron that explodes with crimson color each spring. Showy, single flowers appear all over the shrub. The crimson red blooms amass on a low-growing plant with small green leaves. The semi-evergreen shrub keeps its leaves in winter and drops the old leaves just as it forms new ones.

Sunlight needed: Partial Shade, Partial Sun

Bloom Season: Early Spring

Flowers: Red

Azalea Native- 'Pat Ryan'– 3 gallon

Price: \$18.00

Deciduous shrub with medium green foliage. Fire red buds open up to fragrant clusters of large honeysuckle-like flowers with shades of peach, orange, pink, and yellow in early spring. Pat Ryan is heat and humidity tolerant.

Sunlight needed: Full to Partial Sun

Bloom Season: Spring

Flowers: Orange

Azalea Native- 'Tallulah Sunrise'– 3 gallon

Price: \$18.00

Growing 6 to 8 feet in height and 5 to 6 feet wide, the Tallulah Sunrise Native Azalea is ideal for use in woodland gardens and shady flowering shrub borders. The flowers produce a honeysuckle-like fragrance. Very lustrous dark green leaves turn orange-bronze in fall.

Sunlight needed: Shade or mostly shade

Bloom Season: Early Spring

Flowers: Bright Orange

Camellia Japonica- 'Greensboro Red'– 1 gallon

Price: \$9.00

Compact shrub with an upright growing habit and smooth grey branches that hold dark green, oval-shaped, glossy foliage. Foliage is present all year with beautiful flowers showing from late winter to early spring.

Sunlight needed: Partial Sun

Bloom season: Late Winter-early Spring

Flowers: Red

Camellia- 'Yuletide'– 1 gallon

Price: \$9.00

Single, brilliant red blooms centered with bright yellow stamens make an elegant statement in the winter garden. The glossy, dark green foliage creates a handsome natural hedge or foundation shrub. Medium in size (8-10 ft) and a mid-season evergreen bloomer.

Sunlight needed: Partial Shade

Leaves: dark green

Flowers: Red Late Fall-Winter

Coreopsis- 'Red Elf'– 1 pint

Price: \$9.00

Red Elf Coreopsis is a versatile and low-maintenance perennial plant that produces a profusion of vibrant, ruby-red blooms that attract hummingbirds and butterflies throughout summer and autumn. This dwarf cultivar grows to a height of 8-10 inches and spreads 12-18 inches, making it ideal for small gardens or containers.

Sunlight needed: Full Sun

Leaves: mid-green

Flowers: Burgundy Red Summer-Fall

Dianthus- 'Sugar Plum'– 1 pint

Price: \$9.00

Sugar Plum Dianthus features fluffy ruffled cherry red flowers, prettily frosted with sugary pale-pink edges and centers. This low growing perennial is perfect for borders.

Sunlight needed: Full Sun

Leaves: blue-green

Flowers: Late Spring - Summer

Fern—'Japanese Painted' - 1 gallon

Price: \$8.00

Stems are red-wine with luminescent blue-green fronds with dark central ribs fade to silver at the edges. This deciduous fern should get 12-18 inches tall.

Sunlight needed: Full Shade to Partial Shade

Leaves: burgundy, green, and silver

Fern—'Tassel' - 1 gallon

Price: \$8.00

An evergreen fern with shiny, dark green fronds that can bring beauty to your garden. This hardy fern looks good all year round and combines well with colorful heucheras, hostas, and other shade plants. Plant height will mature at approximately 2ft tall with a 2 ft spread.

Sunlight needed: Part Shade to Full Shade

Leaves: Green

Fothergilla 'Mount Airy'– 1 gallon

Price: \$8.00

Deciduous shrub with deep blue-green leaves has attractive fall color. Honey-scented, brush-like flowers appear before the leaves. Beautiful addition to shrub borders or for background in semi-shaded borders.

Sunlight needed: Full Shade to Partial Sun

Bloom Season: Spring

Flowers: Showy White

Gardenia- 'Frost Proof'– 1 gallon

Price: \$8.00

This plant has a nice symmetrical upright form with very attractive narrow green foliage. It can be maintained in a pot, but grows to 3 feet tall outdoors. It requires moist, somewhat acidic soil.

Sunlight needed: Full Sun to Partial Sun

Bloom Season: Summer

Flowers: White

Gaura lindheimeri- 'Bantam Pink'– 1 gallon

Price: \$9.00

A low growing compact perennial that produces small pink butterfly-like flowers on stalks. Maturing at 12 to 16 inches tall and 18 to 22 inches wide. Can be used in borders, mass plantings, or containers.

Sunlight needed: Full Sun

Bloom Season: Summer - Fall

Flowers: Pink

Heuchera - Amber Lady - 1 gallon

Price: \$9.00

Heuchera Amber Lady's features soft, velvety amber leaves with rose pink undersides. A silver marbling overlay adds beauty and dimension to the lobed foliage. Deer resistant.

Sunlight needed: Full Sun to Partial Shade

Bloom Season: Mid-Summer

Leaves: Amber with Rose Pink Undersides

Heuchera - Obsidian - 1 gallon

Price: \$9.00

Coral Bells Obsidian is a dramatic edging plant: rich dark purple to almost black, shiny leaves that remain dark throughout the growing season.

They do not fade! Evergreen growing to 10"-12" tall.

Sunlight needed: Full Sun to Partial Shade

Bloom Season: Late Spring– Early Summer

Leaves: Dark Purple

Hosta 'June'- 1 gallon

Price: \$10.00

Leaves have wide, streaked, blue-green margins and chartreuse centers in spring. Leaf center becomes medium to light gold in summer. Pale bluish-lavender flowers on 20" scapes in mid-late summer.

Sunlight needed: Full Shade to Partial Sun

Bloom Season: Summer

Leaves: Blue-green

Flowers: Lavender

Hosta 'Minuteman'- 1 gallon

Price: \$10.00

Satiny green leaves are surrounded by creamy white margins. Large, funnel-shaped flowers are dark lavender. A sun tolerant selection. Ideal for adding exuberant color to shady gardens. The thick foliage resists slug damage. An herbaceous perennial.

Sunlight needed: Full Shade to Partial Sun

Bloom Season: Summer

Leaves: Green with White Margins

Flowers: Purple

Hydrangea 'Ada Lynn'– 1 gallon

Price: \$9.00

Bigleaf hydrangea in the lacecap (flattened clusters of small fertile florets surrounded by larger sterile florets) category, showy pink to blue blooms (depending on soil ph in your garden). Compact rounded habit, reliable bloomer. Mature size is 3-6 feet tall and 6-10 feet wide.

Sunlight needed: Full Sun to Partial Shade

Bloom Season: Late Summer to Early Fall

Flowers: Pink to Blue

Hydrangea 'Limelight'– 1 gallon

Price:\$9.00

Football-shaped flowers open in an elegant celadon green that looks fresh and clean in summer's heat. The blooms age to an array of pink, red, and burgundy which persists through frost for months of irresistible flowers. You can use 'Limelight' hydrangea just about any way you can imagine: as a showy flowering hedge, to screen off air conditioners, as an attention-getting specimen, in containers, flower gardens, or anywhere around your home.

Sunlight needed: Partial Sun to Full Sun

Bloom Season: Summer through Fall

Flowers: Green

Hydrangea Snow Queen 'Oakleaf Hydrangea'– 3 gallon

Price: \$16.00

Large, dense 6 to 8 inch long clusters of white flowers are held upright above the dark green oak leaf-shaped foliage. Flowers become rose-pink in the fall and leaves turn deep red-bronze.

Sunlight needed: Partial Sun

Bloom Season: Spring-Summer

Flowers: White (Spring-Summer), Rose-Pink (Fall)

Magnolia- 'Brittany'– 3 gallon

Price: \$22.00

The perfect fit for those with limited space but want the beauty and fragrance of Southern magnolia. The 'Brittany' is a dwarf magnolia maturing to a height of 15-20 feet and a width of 8-10 feet. Produces large showy white flowers that are up to 10 inches across.

Sunlight needed: Full Sun to Mostly Sun

Bloom Season: Summer

Flowers: White

Monarda - 'BeeMine Red' - 1 gallon

Price: \$9.00

Excellent early-flowering, medium-height, 15 to 18-in. High disease resistance to mildew. Deer and rabbit resistant. Uniform first year flowering. The red flowers are just delightful, and attract bees, hummingbirds, and butterflies to the landscape!

Sunlight needed: Partial Sun to Full Sun

Bloom Season: Late Spring-Late Summer

Flowers: Red

Osmanthus fragrans 'Tea Olive' – 1 gallon

Price: \$8.00

A large evergreen shrub or small tree with an upright form that is densely branched and covered with dark green foliage. Tiny flower clusters have a delightful apricot-like fragrance. Plant tea olive near walks and entrances to enjoy the fragrance.

Sunlight needed: Partial Sun to Full Sun

Bloom Season: Spring

Flowers: White

Phlox 'Paparazzi Jagger'– 1 gallon

Price: \$9.00

A garden celebrity with blooms of vibrant lavender dotted with a fuchsia eye. Burgundy stems and burgundy-tinted foliage are noticeable in spring. Early flowering with excellent heat and humidity tolerance.

Sunlight needed: Mostly Sunny to Mostly Shady

Bloom Season: Mid Spring to Late Spring

Flowers: Lavender

Rudbeckia 'American Gold Rush'- 1 gallon

Price: \$8.00

A compact, clump-forming perennial boasting masses of golden-yellow daisies, 2 in. across, adorned with a dark central cone.

Sunlight needed: Full Sun

Bloom Season: Summer- Early Fall

Flowers: Yellow-Gold

Salvia 'April Night'-1 gallon

Price: \$8.00

Blue-violet flower spikes rise from dense, sturdy, upright foliage. Great drought and mildew resistance. Attractive to butterflies and hummingbirds.

Sunlight needed: Full Sun to Mostly Sunny

Bloom Season: Mid-Spring - Late Summer

Flowers: Blue

Scabiosa -'Butterfly Blue'-1 gallon

Price: \$9.00

Butterfly Blue produces a bounty of 2" pincushion-type flowers that attract butterflies and are insect and disease resistant.

Sunlight needed: Full Sun

Bloom Season: Summer

Flowers: Blue

Scabiosa -'Pink Mist'-1 gallon

Price: \$9.00

Scabiosa are extremely long-blooming compact, clump-forming perennials with uniquely shaped, eye-catching flowers. Multiple pincushion-shaped flowers produced all season.

Sunlight needed: Full Sun - Half Sun

Bloom Season: Mid-Spring - Mid-Fall

Flowers: Pastel Pink

Veronica-'Giles Van Hees'-1 gallon

Price: \$9.00

Veronica is beautiful in or out of flower, the medium green lance-shaped foliage makes for a carefree tidy plant. Lasts well when cut, charming in bud vases.

Sunlight needed: Full Sun - Mostly Sunny

Bloom Season: Late Spring - Early Fall

Flowers: Pink

Viburnum 'Snowball'-1 gallon

Price: \$8.00

Masses of large, pure white, snowball-like flower clusters make a showy display and are exquisite in floral arrangements. Glossy, bright green leaves have a purplish red fall coloring.

Sunlight needed: Partial Sun to Full Sun

Bloom Season: Late Spring– Early Summer

Flowers: White

Herbs

Barbecue Rosemary - 1 pint

Price: \$6.00

A rosemary selection with foliage that has especially remarkable flavor and aroma for cooking. Strong, straight stems make perfect barbecue skewers! A fast growing, upright, evergreen shrub.

Sunlight needed: Full Sun

Cilantro - 1 pint

Price: \$6.00

With its distinctive flavor and fragrance, cilantro is an essential ingredient in Mexican, Caribbean and Asian cuisines. Looks like flat leaf parsley, but with thinner leaves. Young leaves have best flavor, so harvest often. After it bloom, harvest seeds for use as the spice coriander.

Sunlight needed: Full Sun

Oregano - 1 pint

Price: \$6.00

Originally from the Mediterranean, this herb variety has become a key ingredient for delicious pasta sauces and other Italian dishes. Plants are easy to care for and grow well in containers. Because they tend to spread and grow low to the ground, they also make a fragrant, unexpected ground cover.

Sunlight needed: Full Sun, Partial Shade

Pineapple Sage - 1 pint

Price: \$6.00

This sage is equally appreciated for the sweet pineapple scent of the foliage and its red flowers. Pineapple sage leaves are often used dried or fresh in teas. Plants will grow up through the summer, when you can enjoy their leafy fragrance. Then, just as some other garden plants start to fade in late summer and early fall, pineapple sage will burst into bloom. This is a great addition to a fall garden because it attracts migrating hummingbirds and butterflies. You can also use the flowers as an edible decoration in salads.

Sunlight needed: Full Sun

Red Thyme - 1 pint

Price: \$6.00

Red creeping thyme quickly spreads to form a lush carpet of small leaves and vibrant blooms! Soft green foliage is aromatic when touched or crushed. Hundreds of saturated pink and red flowers add even more fragrance as they bloom in early summer. The flowers are rich in nectar and are a magnet for butterflies.
