Dean's Award

One of the highest awards Georgia 4-H Members can earn is the 4-H Dean's Award. The Dean's Awards were established to encourage participation and achievement by 4-H youth in areas fundamental to the mission of 4-H, the College of Agricultural and Environmental Sciences, and the College of Family and Consumer Sciences. They also recognize youth who have participated in and excelled at a broad spectrum of activities and experiences over a sustained period of time. The Awards also aim to improve participants' resume-preparation and interviewing skills.

Dean's Awards are offered in six major project areas: Agricultural and Environmental Sciences, Civic Engagement, Communications and the Arts, Family and Consumer Sciences, Leadership, and STEM. Competition participants will submit a cumulative portfolio that spans their entire 4-H career for judges to score. Dean's Award portfolios are due to Ms. Chloe by Tuesday May 16th at midnight. Email Ms. Chloe with questions!
