Project Achievement - Part 3

Presenting Your Project - Beyond the Class

During the Project Achievement Contest youth compete within their project category. This allows the youth to compete within a small group and achieve success. We hope they will join us for a practice day at the Coweta County Extension Office to prepare for the contest and receive additional help with their project. Students that come to the practice days feel more prepared and score higher in their project areas than those student that do not attend practice days.

Practice Dates

January 10th, 11th, 17th, 18th, 24th & 25th
 after school 4pm-6pm (20 minute session)
