SHOW RULES

- All Georgia 4-H and FFA State Livestock Show Rules and Regulations will be followed.
- The Show Committee has final decision making privileges over all show rules.
- Unless permission by the show committee is given, exhibitors must show his/her animals in all classes. The show is open to any current 4-H or FFA member.
- Animals must have state issued 4-H or FFA ear tag to show. A scrapie tag will suffice for states without state tags. Entries that do not have correct tag will be disqualified and no refunds will be given.
- An official Certificate of Veterinary Inspection (Health Certificate) with the individual animal identification number is required to show. An inspector with the State Department of Agriculture may be on site and current health papers must be available upon request.
- All sheep and goats are shown as breeding livestock. Entries must be ewe(s) or doe(s); no rams or bucks will be allowed. Weight will determine breeding classes. There will be no re-weighing once the animal has left the scale area. Does and ewes must not have kidded or lambed before the show.
- There will be a "Georgia Born and Bred" division for each show (breeding ewe & breeding doe). The highest placing GA Born and Bred animals from each weight class will return to the ring for the Georgia Born and Bred division immediately prior to the Grand Drive of the respective show. "Georgia Born and Bred" must be marked on the entry form for an animal to be eligible.
- As space is limited, please pen with your county. Pen space is limited and available on a first-come, first-served basis, **thus exhibitors are encouraged to show off the trailer.**
- The owner is responsible for the care and cleanup of his/her own animal(s).
- Shavings for bedding purposes are in the barn.
