

Want to be THE NEXT BIG YOUTUBER?

You need to master the 4-H Demonstration!

EDITOR: Douglas County 4-H 770-920-7224 www.ugaextension.org/douglas

EPISODE: You can choose any topic! - what could you be the expert on for 5-6 minutes? Do you have a hobby? Know someone with a cool job? Own an interesting pet? Try to be creative for an interesting project!

"The Hook"

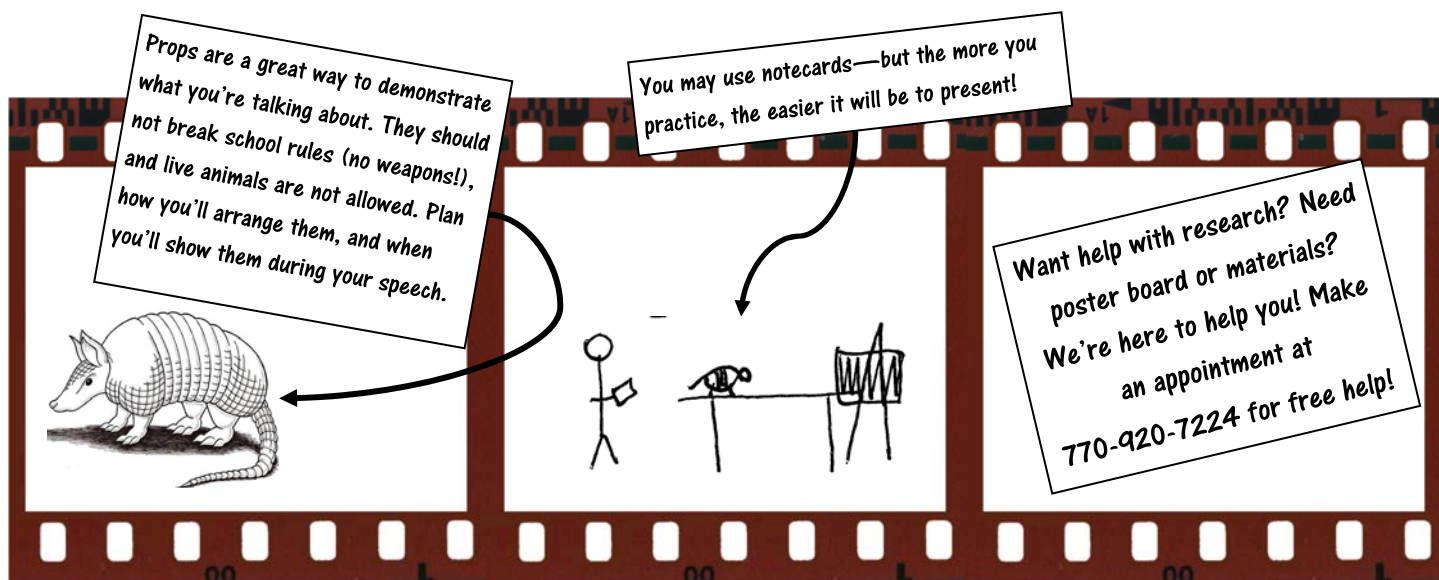

Grab the viewer's attention with a question or fun fact! Connect with your audience.

Introduction

Your audience doesn't know you yet, so they need your name and school. You can also tell why you chose the topic.

Topic Sentence

Keep the audience watching by telling them what you're about to cover.

Main Ideas / Steps

This is the "meat" of your speech. Be sure to give lots of facts and details, and keep it organized! Don't use Wikipedia for research.

Summarize

Giving a summary of what you covered helps the viewer remember what you said.

Conclusion

If you didn't share your references during the project, be sure to mention them before signing off!

WARNING: In order to reach 5 minutes, you will need more paper to write out the entire speech! This is just a planning outline.
