DISTRICT PROJECT ACHIEVEMENT

District Project Achievement (DPA) is one of the most exciting, challenging and rewarding programs offered by Georgia 4-H. Cloverleaf 4-H'ers (4th-6th grade) choose a topic of interest, research it, then write and present an oral presentation to others along with a poster or slide show presentation.

Monday, March 10th
Bulloch County

More details will be forthcoming as they become available. To secure your spot at competition, it is encouraged you participate in the countywide essay contest. Essays are due December 19th.
