

Worms In My Kitchen!

Interested in making your own vermicompost bin? Join us for a hands-on, educational program where you will make your very own home vermicompost bin! We will discuss the benefits of composting vs. vermicomposting and its maintenance. The cost for this program is \$15 and this includes a 4-gallon, black opaque, heavy duty industrial tote, and all of the materials to complete your home vermicompost bin.

Fayette County Extension
140 Stonewall Ave W.
