Above and Beyond

Since NASA was
established in 1958, it has
landed rovers on distant
planets and launched
telescopes deep into
space—all so that we can
look back to the
beginning of time.

5

Seed

SEED: THE UNTOLD STORY
follows passionate seed-
keepers protecting our
12,000 year-old food
legacy.

6

Mistakes That Worked

Popsicles, potato chips, Silly Putty, Velcro, and many other
familiar things have fascinating stories behind them. In fact,
dozens of products and everyday items had surprisingly
haphazard beginnings. Mistakes That Worked offers forty of
these unusual tales, along with hilarious cartoons and
weird and amazing facts.

7

Gross Science Projects

Science can be messy - and
revolting! These STEAM
projects are a great way to
add some fun to science
explorations.
