

What Am I ?

- I am an open water fish and fusiform in shape- very streamlined.
- I have a squared-off caudal fin.
- I have a spiny 1st dorsal fin and a separated ,soft 2nd dorsal fin.
- My anal fin is located near my caudal peduncle on my ventral surface.
- I have pectoral fins that are just about my pelvic fin and behind my gills.
- My pelvic fins are below my gills and even with my pectoral fin.
- I am covered in small spots and considered excellent to eat.
