MAKE EVERY MOMENT COUNT…Wahsega Trip 06-03-22 to 06-04-22

Consider leaving your electronics at home. They may be answered / used only during van transportation before and after program is complete. Cell reception is not good in the cove. The camp has a land line for emergency use only. Director, Mr. David Weber 706-864-2050

Miss Barb will have a cell phone. Available for your child for our standard call in with estimated arrival as we get close to returning. This is a brief heads up on our location as we pass the phone down through all our participants.

Gwinnett check in starts at 8:15 am. Look for our Mini-van in the lower parking lot of the 4-H Office 750 South Perry St. Lawrenceville, GA 30046

Departure from Gwinnett 8:30 am. Eat breakfast before you come. Have the sack lunch and drink in your carry-on. Our first meal at camp is at 5:30 pm. We play hard… your body needs fuel. Please eat. No food or drink can be in our cabins so please plan to not bring extras beyond lunch the first day.

Wear your river clothes for tubing. Swim suit under old shorts and a t-shirt to make the life jacket they lend you more comfortable. Nylon is warmer than cotton if you get cold. River footwear required! It must cover toes, have a back or heal strap, old sneakers work well. Have your camp clothes and dry foot wear (include underwear and towel) in a carry-on bag to change after tubing.

START WITH A SPLASH!

TUBING THE CHESTATEE RIVER IN DAHLONEGA

Appalachian Outfitters 2084 South Chestatee / Highway 60 Dahlonega, GA 30533

TUBING: 10:00 AM FRIDAY MORNING

FLOAT TIME: ABOUT 45 MINUTES

WHAT TO BRING: SIGNED RELEASE LIABILITY WAIVER FOR APPALACHIAN OUTFITTERS

BELOW ARE THEIR SUGGESTIONS FOR A COMFORTABLE FLOAT.

On the river wear clothing you don't mind getting wet or dirty. Bring a change of clothes for after your trip.

- Wear something on your feet for protection - old running shoes, sandals or river shoes - NOT Flip-Flops!
- Food or snacks in unbreakable containers. Bring plenty to drink on hot days.
- Dress according to the weather. Shorts, bathing suit and t-shirts are great for hot days and wind breakers, wool or nylon shirts for cool days.
- Sun protection, sunblock, hat and sunglasses.
- Waterproof watch.
  Leave all unneeded items wallets, keys, technology behind. We lock items in van and leave van keys at the outpost while on the river.

EAT LUNCH AND CHANGE OUT TO GO CAMP

ARRIVE AT WAHSEGA BY NOON TO START CAMP PROGRAM

Return to Gwinnett lower parking lot of the 4-H Office 3:00 pm

Mr. Alex Ward and Miss Barb will be the overnight chaperones for this trip.
