Fall is Consumer Judging Time!

Grades 5-12

If you like to shop, this team is for you!

- Improve your skills in comparison shopping
- Learn what to look for in various purchasing situations
- Learn how to spot the best deal
- Learn how to effectively communicate why a product is best

Each year the state picks four products and provides a 2-4 page study guide on each. The four categories our items come from are Technology, Clothing, Foods, and Miscellaneous.

Do you like to act? Here is a creative and fun part of this competition. Use props and/or costumes to promote cotton. Why cotton? The cotton industry sponsors this competition and donates prizes.

- 30-second Cotton Commercial with 22" x 14" poster, Grades 5-8
- 90-second Cotton Advertisement (no poster), Grades 9-12

Join us for the fun as we build our Fall Judging Team for the annual Consumer Judging event.
