

We welcome all current 4th and 5th graders to join us for the camp experience of a lifetime! This fun-filled week features supervised activities and hands-on learning, including canoeing, crafting, forestry, hiking, insects, lake ecology, sailing, snakes, swimming, water conservation, wildlife, and more. Campers stay in air-conditioned cabins (20 occupants per cabin) with adult chaperones (4-H staff members or certified volunteers) occupying the leader's quarters of each cabin. Campers have 24/7 access to a medical facility. An informational meeting will be held in June to meet staff, ask questions, and learn the details of arrival/departure schedule, cabin assignments, items to bring, etc.
