

INSIDE THE CLOVER

August 2022

Welcome

Welcome to Hart County 4-H! We have an exciting year planned and we hope you are as excited as we are! We will meet monthly during your class time and help you develop leadership, citizenship, and life skills. During class time, we present lessons that correspond to your Common Core Standards. We also have many wonderful activities planned of which you can be a part like local and state contests, competitions, service projects, special interest clubs, summer camp, etc. Stay tuned to your monthly newsletter for all the latest 4-H news and make sure you share it with everyone at home. Also, we encourage you to follow us on Facebook (Hart County 4-H/UGA Extension), Instagram (@4hhartcounty) and check out our website.

Project Fair

Pick a topic you enjoy. **Write a one-to-two page research-based, informational report. Make a poster** about your report. The possibilities are endless! *Example: If you like strawberries, research how to grow them or their nutritional value and write your report. Then make a poster about what you wrote including pictures of things you talk about in your report. Don't forget to put a title on your poster.*

Guidelines for the report:

*Must be research-based

*Has to be written in your own words

***Needs introduction** (a quote, question, interesting short story to introduce topic), **3-5 main ideas** (with supporting facts for each one) **and conclusion** (a general statement summarizing what you wrote)

***One main idea must be about a career related to your topic** (Example: If you wrote about growing strawberries, you could talk about a farmer or Agricultural research or marketing). Include things like training or education needed, examples of job duties, salary range and/or work environment expected.

***List books or websites you used** to get your information at the end of the report.

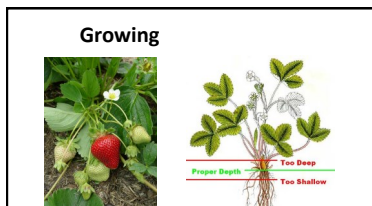

Please don't forget to **put your first and last name and your teacher's name on the back of your poster AND on your report.** Your **report should be stapled/taped/paper clipped to the back of your poster.** **Do NOT glue report to poster.**

Please only turn in a poster and report. All other visual aids **will not** be accepted. **Please don't put toys or other 3D objects on your poster.** *These usually fall off and get lost or messed up.*

All project fair entries will be judged and prizes will be awarded. This is worth 50 points toward the end of the year reward trip. You will need this report and poster later in the year to share with your class. This will help us with our public speaking skills. **Your project is DUE to your teacher BEFORE Tues., Aug. 30.**

Poster Example:

****PLEASE NOTE:** Your teacher may set up other parameters for this project like assigning you a topic or asking for more details. Please **make sure you meet YOUR TEACHER'S requirements** as they are giving you a grade. 4-H will judge your project and prizes will be awarded as well as give you points toward the 4-H Reward Trip.

GA 4-H Holiday Card Contest

Use your creativity! The Georgia 4-H Foundation is looking for a design for a December holiday card to send to Georgia 4-H supporters! The winner of this state-wide contest will win \$100!

Entries must be original drawings on a piece of unlined, white paper, 8.5 x 5.5 inches (half a sheet of typing paper). Please try to use a universal "holiday" theme and should include 4-H in the theme for the message or the design. **Entries are due Tues, Sept. 27th.**

Write your first and last name and teacher's name on the back of your drawing **IN PENCIL** and turn it in.

Everyone who turns in a card will receive 25 points toward the reward trip. We will also select a county winner that will receive a 4-H t-shirt for being so creative.

Emergency Address Signs

In case of an emergency, you will want your address easily seen by emergency workers. Let 4-H make you a sturdy, reflective, easy-to-see-at-night address sign. Signs are \$15. Numbers are on both sides and it comes on a stake. To order, call the 4-H Office at 706-376-3134.

Live to Give Project

We are collecting pop tabs (tabs from canned drinks) to donate to the Ronald McDonald House. 4-H'ers from across the state will put all their pop tabs together to recycle for money we will then donate to one of the Ronald McDonald Houses in Georgia. They use the money received from our donation to help pay the house utility bills and offer services to families that stay with them.

If you would like to help with this project, bring your pop tabs in a ziplock bag. Please **put your first and last name and your teacher's name on a piece of paper inside the bag.** We will **collect these on Fri., October 28th.** You will receive 25 points toward the end of the year reward trip for 100 or more pop tabs. (Twenty-five points is the *maximum* number of points you can receive for pop tabs.)

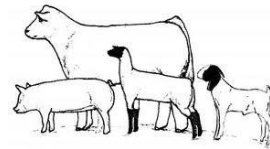

4-H Reward Trip

Each month we will reward you for participating or completing different 4-H activities. By the end of April, those Cloverleaf 4-H'ers that have accumulated **250 points** or more will receive an invitation to a very special reward trip. This year the reward trip will be a fun day at **Big Air Trampoline Park in Greenville.** See the 4-H Points Reward System for more information.

Livestock Show Team

If you are interested in showing hogs, dairy or beef heifers, steers, sheep, or goats **please call the 4-H Office no later than Aug. 30th** for more information. The Market Goat and Market Lamb season has already begun but all other species begin their show season soon. This is a great learning experience for you and your family!
