

# E-911 Reflective Address Sign

## Order Form

Hart County Ordinance chapter 66, section 67 requires 911 address numbers be posted at every address in the county. Many people do not have their home marked correctly which makes things very difficult for emergency services to find them, especially at night.

**E-911 Reflective Address Signs are \$20 each** and are composed of a 6"x12" metal blue blade which contains 4" white, reflective numbers on both sides. The blue blade is attached to a green 36" stake which needs to be placed in the ground at the end of your driveway or whichever spot identifies your house the best.

**To Order a Sign:** Call Hart County 4-H at 706-376-3134

or Fax: 706-376-3702 or E-Mail: [ugell47@uga.edu](mailto:ugell47@uga.edu)
