money are due
November 17th

FREQUENTLY ASKED QUESTIONS

Do I have to own a horse? No! This is for anyone who owns or doesn't own a horse. We welcome everyone.

What will we do in horse club? At each meeting, we will have a lesson, participate in a hippology session and have fun!

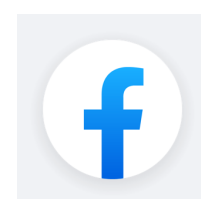

What is hippology? I am glad you asked! It is a team competition open to 5-12 graders where students participate in problem solving, presentations, tests and judging! We plan to have numerous teams and will compete in the spring!

What does it cost? The dues are \$20. This will pay for educational supplies and resources as well as snacks!
