DISTRICT PROJECT ACHIEVEMENT

Georgia 4-H Project Achievement builds lifelong skills in leadership, creativity, public speaking, and record keeping. Students select a topic, research it, and present their findings. Cloverleaf and Junior 4-H'ers (grades 4-8) compete locally before advancing to district, while Seniors (grades 9-12) compete at state and national levels with added record-keeping and in-depth project work.

If you plan to attend DPA in March, please go ahead and let us know. We need to try and start the process of portfolios and presentations.
