Please mark all areas your child is interested in

Special Interest Areas

We want to know what your child is interested in. Circle all that apply for their grade level and we will provide you with more information and notify you when these events start as long as we have an email address on file. If you have questions about these topics, you can find information on our website.

If your child is in grades K-3 and would like to join, please reach out to us. There are opportunities for all grade levels and we'd love to discuss them with you.
