## 2020 EARLY CHILDHOOD PROFESSIONALS' TRAININGS

Each of these 2-hour sessions will be held at the **Oconee County Extension Office at 1420 Experiment Station Road in Watkinsville** from **6-8pm** and cost **\$15** per session. To register for these classes, contact Leigh Anne Aaron at 706.769.3946 or [laa@uga.edu](mailto:laa@uga.edu). Registration is due one week before each session. A minimum of 10 participants required. Notification will be provided after registration deadline if class must be rescheduled.

### January 30

**Stop, Look & Learn:** Observing children is key to understanding children. This session discusses the value of observation in early childhood settings and how to enhance communication with parents.

### April 16

**Let's Go Outside:** Outdoor play is more than just fun for kids. It stimulates all domains of child development. This class offers ways to integrate curriculum areas during outdoor time.

### May 7

**Active Classrooms:** Teachers create environments wherein children are actively invited to seek knowledge. This session will provide ways to support children's physical activities in ECE settings.

### June 18\*

**CPR/First Aid:** This course focuses on how to respond to and manage illnesses and injuries in an infant, child or adult in the first few minutes until professional help arrives.

**\*3 hour session from 6-9 pm**

### August 13

**Planting the Seeds of Learning:** This course will help to increase understanding of infant and toddler development and how to provide a nurturing environment to support young children.

### September 3

**Setting the Stage to Foster STEAM:** This course will identify opportunities to cultivate science, technology, engineering, art and math in the things you already do with young children.

### October 15

**Technology is Terrific:** Technology plays a positive role in children's development and learning. This session will discuss ways to adopt technical devices in the ECE classroom to support each child's development.

### November 12

**Focus on Families:** Parents are the key to a successful program. By fostering relationships with families and involving them in your program, you open the door for communication. This class shares ways to involve families in the classroom.

**All sessions include dinner! Let us know if you need special accommodations.**
