Health and Code of Conduct Forms

All students that participate in out-of-school activities must have their parent complete a health form for each event. A code of conduct form must be completed once a year. These forms are located on our website or in our office.

I pledge my **HEAD** to clearer thinking
My **HEART** to greater loyalty,
My **HANDS** to larger service, and
My **HEALTH** to better living,
for my club, my community, my country and my world.

Project Achievement

Congratulations to the students that were selected to go to Rome, Georgia to compete with all of the other North Georgia counties. There were so many wonderful speeches that it was very difficult for us to choose students for District Project Achievement. It was obvious that so many of you really worked hard to make your demonstrations very presentable and some of you have been chosen to go to Rome! We want you all to know that this is considered a great honor, so now it is up to you to make your presentation as good as it can be. For those who are going, if you need any supplies or assistance please let us know, we will be happy to assist you.

A Special THANK YOU to OUR TEACHERS for such a successful year in Presentations!

District Project Achievement is on

Saturday, February 1, 2025 in Rome, Georgia

If you were chosen to attend, and you have NOT told us that you are attending, please let us know by Jan. 15th to make sure your spot is reserved. This will ensure that if you can't go we can give another student the opportunity to go!

Phone: 706-695-3031

**** You are not registered for an activity until we have received your health form, code of conduct and payment.****

Classroom Challenge

Remember to keep collecting those pop-tops and bringing them into your classroom!

January's service project is to make Valentine's cards for seniors at the Chatsworth Health Care Center.

Remember that a lot of these seniors do not have family; so it would be great for a special Valentine's craft that shows you care. Learn to lead with your heart. They will be collected during the February club meeting!
