

CASH CLOVER CAMP FUNDRAISER

Help a Murray County 4-H'er attend camp at a Georgia 4-H Center this summer! Each Clover is worth \$5 for the camper. Campers will color in the clover when they receive the sponsorship and write the sponsor's name on the back. All proceeds go towards the costs of their camp, allowing them to raise \$330 towards those fees! Campers attending our different specialty camps will get to partake in events like seining, white water rafting, sleeping outside for a week, herpetology, survival classes, marsh ecology, tubing, and so much more!
