

Paulding Shooting Stars BB Gun Team 2024-2025 Season Information

Welcome potential shooters and families,

We look forward to new members joining our team for the 2024/2025 season. A little about us, we are a volunteer run club headed by two coaches. This is a competitive shooting team where we group kids into 5-7 shooter teams. Each child is scored individually and the scores are totaled to make a team score. Each shooter has the opportunity to place in competitions individually or as a team depending on their final scores/team total score. Awards are usually given for each position, top 3 teams and overall at each competition. Join the Paulding 4-H Facebook group to stay up to date!
