Pledge our HANDS to Larger Service!

• Community Service:

In 4-H, community service is how we demonstrate pledging "our hands to larger service." We want community service to be a part of your everyday life, not just something you do during the holidays. To encourage your participation in community service, we present a monthly community service award at each elementary school. We have a community service outreach each month, and the club with the most class points, earns the award for that month. We encourage our outreach as well as pop tabs for the Ronald McDonald House Charities.

Give a Great 4-H Demonstration!
