Georgia 4-H MilkMake Recipe Contest

Milkshakes, smoothies, even chocolate milk are delicious ways to enjoy milk. Write a recipe about YOUR favorite milk drink! **All recipes must contain:**

- a list of ingredients-the main ingredient must be milk
- the amount to use, and
- the number of servings it makes

Write down your recipe and **Put your name, teacher's name, and school name on the back of your paper.** Turn them in at your January Club Meeting. Prizes will be awarded at your February Club Meeting.

By purchasing a Paper Clover at Tractor Supply Co. in October, Georgia 4-H earned \$27,959, which will be divided among the Counties that hosted the event.

Cloverleaf Club News!

What is 4-H used for?

By Megan C. – Ms. Sanders' Class
New Georgia Elementary

4-H is used for kids to learn to play a bigger role in responsibility for their schools and community. 4-H helps people in need by turning in pop-tabs and ink cartridges. Having everyone turn in community service shows team work from all of the students while having a friendly competition between the 5th grade classes. So, if you like to help people, then you can help by donating community service items each month and help make a better world.

4-H Contests

By Kenady W. – Ms. Thompson's Class
Shelton Elementary

4-H gives kids opportunities to enter contest and win prizes such as cash. 4-H recently just finished the Holiday Card Contest, participants had to draw a holiday card and add something about 4-H on it. If your card wins you can receive \$50.00. The peanut butter sandwich is a super fun contest too. You must create a unique sandwich that is tasty, but it is also judged on Nutrition, appeal, creativity, recipe presentation and taste. I believe that this is a fun way to become creative young chef.

Putting the 4-H's in action

By Ally B. – Ms. Studdard's Class,
Abney Elementary

How can we put the 4-H's in action? Well let's look at them. The first **H** is **Head**. We can use our heads and think of others and ways you can help them in your community.

The second **H** is **Heart**, do a random acts of kindness like holding the door for someone, or give someone a high five. Think of something you can do.

Third **H** is **Hands**, you can pick up trash around your neighborhood. All you need is a trash bag, gloves and your parents.

The final H is for Health, donate to an animal shelter, hospital, etc. Do the best you can do to make everybody feel better.

What happens in 4-H Meetings?

By Hannah D – Ms. Sanders' Class
New Georgia Elementary

The last meeting the New Georgia Elementary School had was fantastic! Wyatt L gave a wonderful presentation about baseball he included particular players and Hall of Fame Inductees. Chloe P. gave a presentation about Veterinarians. She had pictures and facts to support it as well. I read the article from last month and another read the announcements. Megan C., our Community Service Chair counted all the pop-tabs, ink cartridges and green slips. We had visitors come into our classroom which gave us more points. We ended with the 4-H Pledge.

4-H Motto: "To Make the Best Better"

4-H Slogan: "Learn by Doing"
