

# County Project Achievement

**Project Achievement** helps 4-H'ers develop both oral and written communication skills while giving them the opportunity to research/investigate a topic of their interest. In December, youth will present their demonstrations in front of their class for a local competition. Winners will be invited to compete at the district level against youth from other counties on February 20th.

**Youth who compete at DISTRICT PROJECT ACHIEVEMENT get a chance to sign up for summer camp one day early!**

Get more information at:  
<https://tinyurl.com/pcprojectachievement>

## Basics:

**Speeches:** Should contain an introduction, at least 3 main points, and a conclusion.

**Project Areas:** A list of project areas can be found at:

<https://tinyurl.com/cloverpaprojectlist>

## Scoring:

- Delivery 15%
- Orderly Progress 25%
- Coverage of Subject 25%
- Researched Information 25%
- Time Limit (3-5 mins) 10%

## Visual Aids:

Visuals should contain a title and information highlighting the main points. Tri-boards, regular posters, or powerpoints may be used in class in December. At the district competition youth will need to use a tri-board or regular posters.

Information and pictures should be clear and large enough to be seen from across the room

# Kid-Safe Research

Try these websites to help you get started on researching your topic!

Always have an adult help you with your research and remember not to copy exactly what you find online. Instead, read and learn about your topic and then write about what you learned in your own words!

## [factmonster.com](http://factmonster.com)

Fact Monster has a search bar so you can do research on a topic of your choice, but if you're having trouble picking a topic, you can explore the website to find something awesome to write your speech about!

## [dkfindout.com](http://dkfindout.com)

On this website, you can research your topic and not only will you find some awesome information, but the website will also suggest other, related things for you to research! What a great way for you to explore your interests!

## [kids.nationalgeographic.com](http://kids.nationalgeographic.com)

If you don't know what you want to write about, use this website to find information about geography, science, space, animals, and historical sites. You can browse their topics until you find something amazing that interests you!

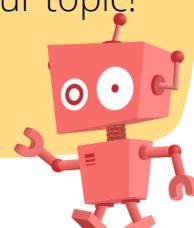

## [wonderopolis.org](http://wonderopolis.org)

On this website, you can explore any subject you might be wondering about! You can also use the search bar under their "discover" tab to find information about a specific topic!

## [kids.kiddle.co](http://kids.kiddle.co)

This encyclopedia is designed for kids and has a ton of information! Use the search bar to search for your topic!

# Hambuger Speech Draft

Top Bun: **Introduction!** This is where you grab the attention of your audience! Give an interesting quote or fact and introduce them to your topic!

Burger Patties: **Body Paragraphs!** This is where you share your research! Come up with at least three main ideas you want to share!

(This box is empty, representing the first body paragraph.)

(This box is empty, representing the second body paragraph.)

(This box is empty, representing the third body paragraph.)

Don't forget to  
add some flavor!  
Use details and  
descriptive  
words!

Bottom Bun: **Conclusion!** This is where you summarize your main ideas and tell us why your topic is important!
