RECYCLED ART CONTEST

Use your imagination, don't throw that plastic bottle away! You can paint it and paste a picture on it to make a great looking flower vase, or cut up old t-shirts and tie it around a hanger as a wreath or use pop tabs to make a bracelet.

What you think is trash can make an awesome art project. So have some fun and make a recycled art project and you may win a great prize!! A winner will be picked. Make sure you put your name, teacher and school on your recycled art project and give it to your recorder before your next meeting in January 2021.
