Cloverleaf District Project Achievement

Cloverleaf District Project Achievement is currently scheduled for March 20th in Emanuel County. Project Achievement is a fun activity that allows you the opportunity to present a project/presentation on any topic that you are interested in! Plus, you get to meet tons of new people

and make lots of 4-H friends at the competition in Emanuel County. It's never too early to start thinking about Project Ideas!! You will be receiving much more information next month!

Monthly Clover Challenge—Embrace the Season of Giving

It's the holidays and you have lots of gift giving to do. Not all gifts have to be expensive items purchased from a store. This year, we challenge you to embrace the "Season of Giving" by finding ways to give to others in many different ways.

Here are some great gift ideas that are low in cost (some are FREE), and they will surely bring a smile to someone's face:

- Make homemade "thank you" cards for neighbors and friends. Make a few extra and send to the nursing home, police/fire department, or local hospital.
- Make hand made ornaments.
- Gift of time certificates offering to help with some special project (ex. Rake leaves for 1 hour, Take out trash, Wash the car, etc...)
- Bake cookies and other Christmas treats to give to family and friends.
- Donate to a local charity to help others who are in need!

'Tis the Season
