Monthly Healthy Living Tips

Better Breakfast Tips:

Breakfast is the most important meal of the day, especially for children! While you are growing and developing, your body needs food to fuel your body. After a good night sleep, it can be as long as 12 hours since your last meal! Your brain and body needs breakfast so that you will be ready for school and learning!

Here are a few tips to help get your day off to a great start:

1. Look for whole grain cereals and breads.
2. Make sure your breakfast meal has at least 3 food groups represented.
3. Avoid eating donuts and pastries every morning since they are loaded with sugars and calories.

Interesting

Fact:

One estimate suggests that there are about 10,000 regular three-leaf clovers for every lucky four-leaf clover.

4-H Google Classroom

Be sure to check out your 4-H Google Classroom to keep up with all of the upcoming 4-H activities and events! All 4-H meeting materials, newsletters, handouts, flyers, etc. are posted each month in the 4-H Google Classroom. Your club meeting schedule and all of our 4-H Office contact information can be accessed there as well.

Parents, if you want to know what is going on in 4-H each month, simply ask your child to log in to their 4-H classroom from your computer, tablet, or phone!

If you have any additional questions, please send an email to: screven4h@screven.k12.ga.us OR lauren4h@uga.edu.
