Cloverleaf District Project Achievement

Due to COVID-19, the traditional District Project Achievement competition scheduled for March 21st in Emanuel County was cancelled. We had 16 youth originally signed up to participate in the traditional competition. But thanks to technology, we were able to offer the first ever Virtual 4-H Project Achievement Competition.

We had 5 of our 4-H'ers who decided to compete in the virtual competition. Everyone did a great job working on their projects and represented our county extremely well!

Special Thanks to our wonderful 4-H'ers and Parents for being willing to think outside of the box and try the new virtual competition.

Virtual DPA Winners:

Diya Patel
Hunter Dasher
Anabelle Tapley
Kristina Flint
Barrett Garland

Summer Camp Reminders

If you have registered for summer camp, make sure you have read the emails sent to parents about the tentative rescheduling of summer camp due to COVID-19. You must confirm your attendance via the google form sent in email before May 20th.

Dear 4-H'ers, We Miss You!

The 4-H staff is really missing you! Due to COVID-19, our time with you this year was cut short. Instead of focusing on everything that we are going to miss, let's look forward to the future when we will all be together again!

Once school starts up in August, you will once again get to be a part of monthly 4-H meetings in your school

classroom. There will be lots of opportunities to participate in 4-H activities and events outside of school too! Examples of fall 4-H activities include 4-H mini-booth projects, scarecrow contests at the fair, livestock projects, and so much more! We will also be sharing some fun 4-H activities soon that you and your families

Stay tuned for more info about summer 4-H Family Fun activities. Also, feel free to stop by the 4-H office and visit our book box outside. You can borrow and share books any time!

Hope to see you soon!
~Mrs. Lauren & Mrs. Cindy
