RE: 2025 Row Crop Production Meetings

Dear Row Crop Producers & Agribusiness Leaders,

As we wrap up the 2024 harvest season, we begin to formulate plans for the quickly approaching 2025 production year. This past year has been one for the record books and most farmers are anxious to put 2024 in the past and start working towards a brighter future. Together you have weathered many storms and UGA Extension is here to help you as you continue to push forward.

The Screven County Extension Office will host Cotton & Peanut production meetings for 2025. The Row Crop Weed Management meeting will be hosted jointly between Bulloch and Screven County and will be held at the Bulloch County Extension Office.

Please mark these dates on your calendar and make plans to join us for these meetings:

COTTON MEETING:

2/6/25 @ 6:00pm

Screven County Extension Office

Supper Included

UGA Specialists: Dr. Camp Hand, Cotton Agronomist; Dr. Phillip Roberts, Cotton Entomologist

ROW CROP WEED MANAGEMENT MEETING:

2/12/25 @ 12:00noon

Bulloch County Extension Office

Lunch Included

UGA Specialists: Dr. Stanley Culpepper, Cotton Weed Specialist; Dr. Eric Prostko, Peanut Weed Specialist

PEANUT MEETING:

2/19/25 @ 8:00am

Screven County Extension Office

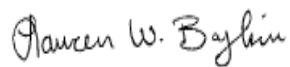

Breakfast Included

UGA Specialists: Dr. Scott Monfort, Peanut Agronomist; Dr. Mark Abney, Peanut Entomologist; Dr. Bob Kemerait, Peanut Disease Pathologist

All meetings will provide a full meal. Pesticide credits will be approved for each meeting. Additional meeting reminders will be sent prior to each meeting. To RSVP, please contact the Screven County Extension Office at 912-564-2064 at least two days before each meeting.

If you have any questions or have issues arise that you need help with, please contact the Screven County Extension Office. Special thanks to Wade Parker, Southeast District Agronomist, for answering all agriculture related questions and continuing to assist producers across Screven County. We appreciate your patience and support as we continue to search for an ag agent. In the meantime, we can assure you that we remain committed to keeping our programs viable. Look forward to seeing you in February.

Sincerely,
