

UNIVERSITY OF GEORGIA
EXTENSION

Thomas County

In 2024, the Agriculture & Natural Resources agent provided pesticide safety certifications and education to students at Southern Regional Technical College. Evaluations revealed a 100% increase in student comprehension. Through a free tax-prep assistance program, the Family & Consumer Sciences agent provided an economic impact of over \$33,000, saving clients over \$4,000 in fees. 4-H youth participated in numerous competitions that improved public speaking, leadership, and community service skills. Extension continues to serve residents of Thomas County.

2025 Georgia Ag Impact Report
UGA Center for Agribusiness and Economic Development

A healthy Georgia is a better Georgia.

University of Georgia Cooperative Extension offers programming focused on mental health, financial well-being, nutrition and everything in between. UGA Extension had 1,756,355 face-to-face contacts in 2024. Of these, 200,067 contacts addressed health and wellness topics, including rural and farm stress.

Extension is committed to helping rural Georgia farmers and families thrive. UGA Extension provides physical and mental health resources to keep rural Georgia growing stronger, especially when times are tough. Our new Behavioral Health Team provides fact sheets, trainings and a weekly blog—all to help Georgia individuals and families thrive.

Get the facts.

UGA Extension publications are the go-to source for unbiased, research-based information in the state of Georgia.

An Equal Opportunity, Affirmative Action, Veteran, Disability Institution.

Growing cities.

UGA Extension helps urban gardeners develop school gardens, community gardens and urban farms to benefit their communities. Extension works with educators to create sustainable outdoor classrooms that function as successful teaching tools. Community gardeners are supported in growing healthy food crops in small spaces while urban farmers are encouraged to apply the latest agricultural research to grow their businesses.

Committed to Georgia's youth.

Georgia's 4-H enrolled 193,518 youths across the state during the 2023-24 school year.
