

UNIVERSITY OF GEORGIA
EXTENSION

Towns County

Towns County 4-H has provided 4-H'ers in the community with in-school lessons for 4th-6th grades, summer camp for the Cloverleaf level, sewing camp and farm tours, as well as continuing our horse club and BB team. We have participated in Cloverleaf District Project Achievement in Blairsville. Towns County 4-H currently has over 150 4-H'ers enrolled. In 2024, Towns County Extension conducted a Master Naturalist program to educate residents on natural resources. Research continued on sorghum aphid in sweet sorghum for syrup in an effort to help sorghum growers find ways to combat this pest. The Master Gardener program also had 23 graduates.

2025 Georgia Ag Impact Report
UGA Center for Agribusiness and Economic Development

A healthy Georgia is a better Georgia.

University of Georgia Cooperative Extension offers programming focused on mental health, financial well-being, nutrition and everything in between. UGA Extension had 1,756,355 face-to-face contacts in 2024. Of these, 200,067 contacts addressed health and wellness topics, including rural and farm stress.

Extension is committed to helping rural Georgia farmers and families thrive. UGA Extension provides physical and mental health resources to keep rural Georgia growing stronger, especially when times are tough. Our new Behavioral Health Team provides fact sheets, trainings and a weekly blog—all to help Georgia individuals and families thrive.

Growing cities.

UGA Extension helps urban gardeners develop school gardens, community gardens and urban farms to benefit their communities. Extension works with educators to create sustainable outdoor classrooms that function as successful teaching tools. Community gardeners are supported in growing healthy food crops in small spaces while urban farmers are encouraged to apply the latest agricultural research to grow their businesses.

Committed to Georgia's youth.

Georgia's 4-H enrolled 193,518 youths across the state during the 2023-24 school year.

Get the facts.

UGA Extension publications are the go-to source for unbiased, research-based information in the state of Georgia.

An Equal Opportunity, Affirmative Action, Veteran, Disability Institution.
