Troup County 4-H

Cloverleaf DPA (5th-6th Troup County 4-Hers)

Hopefully everyone is getting ready to participate in District Project Achievement (DPA)! 5th graders have been working on preparing a presentation to give during the 4-H club meeting in their school. DPA is a contest for those presentations. This year's competition will be held January 30th in Newton County. There will be a workshop held January 9th for all students who are interested in attending!

Jr/Sr DPA (all 7th-12th grade 4-Hers)

It's not too early to start working on DPA Portfolios! Jr/Sr DPA is a competition where students pick their main interest or project area and prepare an 8-12 minute presentation on that topic. They also include a portfolio which is basically a resume with pictures. The contest is March 4th-6th at Rock Eagle. There will be a workshop on November 12th at 6pm at the Extension Office for all 7th-12th graders who are interested in participating in Jr/Sr DPA. Come get your questions answered and begin working on your portfolios.

**December Classic
(9th-12th grade students)
December 12th-13th
Rock Eagle**

Formerly known as “Fall Forum” December Classic is a 4-H conference for all high school students. This event is sure to entertain high school 4-H'ers and volunteers with a mix of tradition and new programming. Workshops taught by 4-H'ers and adults will include core program areas. We're also excited to feature “funshops” in addition to traditional workshops, where 4-H'ers can participate in learning new dances, facilitating games and activities, and other fun, interactive activities. We will also offer 4-H'ers an opportunity to share their project work through an exhibit fair, and to lead community service projects with other 4-H'ers. There will also be a 4K for 4-H Road Race. Cost is \$75.00 if registered before December 1st and \$80.00 after December 1st. The 4K race will be an additional \$12 and includes a t-shirt.
