COTTON BOLL & CONSUMER JUDGING

This competition will help you learn how to make good choices when it comes to spending money on everyday items and gain awareness on one of Georgia's top crops, cotton! There are two parts to this competition - presentations & judging products. Junior Presentations are 30 seconds and Senior Presentations are 90 seconds. Presentations are pre-recorded and submitted. We will be judging at the event. Presentations will need to be recorded and uploaded by the 16th. Presentations can be recorded and sent to me, or I can record them on the 16th at practice.
