

4-H RISK MANAGEMENT TRAINING INSTRUCTIONS for Master Gardener Extension Volunteers

After logging into MGLOG, all MGEV trainees and veterans will see a yellow box on the MGLOG MGEV Homepage that indicates RMT is out-of-date. An updated RMT training module is published each year in August for completion by Extension employees and volunteers. *For an optimal user experience, complete RMT using a desktop or laptop computer.*

4H RMT STATUS

Your 4H Risk Management Training is out of date.
Please click the link below to take the training, complete the exam and update your 4H training.

Update 4H RMT

1. Click the red **Update 4H RMT** button to go to the training page.

Please click the button below to view the new 4H Working with Youth and Managing Risk

4H Risk Management Training

After you've viewed the Georgia 4-H Working with Youth and Managing Risk video (access

You will then be directed to the test page. Once you've taken and passed the test, you'll be

Name:

Submit and Take RMT Exam

2. A white screen with text and two red buttons is the training page, shown to the left. It will open in the same tab on your screen. The tab is labelled **MGLOG to 4H**. You will come back to the page, so leave this tab open. Click the red **4H Risk Management Training** button on this page to access the 3 interactive modules on the Georgia 4-H website.

Clicking this red button will open the 4-H training module page, shown below, in a separate tab in your browser. Scroll down this page until you see module road map images. Click on the image of the first module to start the training. You will click the image for each module and move through a course with multiple lessons and interactive content.

3. After you have navigated through all three modules, click on the tab for the training page (tab labelled **MGLOG to 4H**).

MGLOG to 4H Risk Management Training - Georgia 4-H

georgia4h.org/get-involved/risk-management-training/

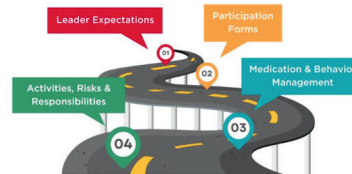

Click on the red **Submit and Take RMT Exam** button to open and take the quiz. It will open in the same tab. Once you have taken and passed the quiz, you will be directed back to MGLOG and your RMT completion date will be saved in your profile.

UGA Extension and Georgia 4-H: Working with Youth & Managing Risk

Thank you for your contributions to Georgia 4-H, UGA Extension, and the College of Agricultural and Environmental Sciences (CAES). A requirement of all Extension Volunteers working with youth and CAES employees is to complete the online module "Working with Youth & Managing Risk" and pass the online quiz. Please complete the following steps below to gain your certification for this training.

1.) Click the image below to view Module 1:

Module 1: Your Role as a Chaperone

2.) Click the image below to view Module 2:

Module 2: Policies and Protocols

4. Complete a Short Quiz

If you began this training through an emailed link, please return to the email to find your unique quiz link and complete the quiz. Scoring 100% or certification for this module.

For Master Gardener Extension Volunteers, please return to MGLOG to complete your quiz.

There is text at the bottom of the RMT module page reminding you to complete the RMT quiz through the training page connected to MGLOG.
