

Attention Citizens

Yourtown City Council will hold special meeting to discuss proposal to expand Yourtown Municipal Landfill.

When: Friday August 29

Where: Yourtown City Hall, Rm. 25

What: Current waste disposal trends indicate that the Yourtown Municipal Landfill will reach full capacity by 2010. The Landfill Steering Committee has proposed that the landfill be expanded onto nearby, city-owned property in order to accommodate Yourtown's future waste disposal. The City Council has invited several experts to provide information and advice on this process. We also invite all citizens to provide public comment on Yourtown's future waste disposal plans.

Yourtown, Georgia
